Wagering Account	5.225(4)(a)	<p>4. Operation and maintenance of wagering accounts by third-parties.</p> <p>(a) A licensee may use a licensed cash access and wagering instrument service provider or a licensed manufacturer to operate and maintain wagering accounts on behalf of the licensee provided such wagering accounts are within the State of Nevada.</p>	<p><i>This language is a bit unclear. Does “provided such wagering accounts are within the State of Nevada” mean that the computers hosting the wagering account need to be located in NV? Or that the wagering accounts must be associated with a NV licensee? Please clarify the intent.</i></p>
