26C.050 Reserve requirements. [Effective through 8/31/17.]

1. Unless the chairman for good cause permits or requires a different amount, each book shall at all times maintain a reserve of not less than the greater of \$25,000 or the sum of the following amounts:
 - (a) Amounts held by the book for the account of patrons;
 - (b) Amounts accepted by the book as wagers on contingencies whose outcomes have not been determined; and

(c) Amounts due the patron on wagers whose outcomes have been determined but that have not been posted to the patron's wagering account.

2. Before beginning operations, each newly-licensed book must establish a reserve of at least the greater of \$25,000 or the amount the chairman projects will at least equal the sum of the amounts specified in paragraphs (a) and (b) of subsection 1 at the end of the first week of the book's operation. After the book begins operations, the book's reserve must comply with subsection 1.

3. The reserve described in subsections 1 and 2 must be maintained in the form of cash, cash equivalent, an irrevocable letter of credit, a bond, or a combination thereof. Except as otherwise provided in subsections 4 and 5, the reserve must be unencumbered and must not be commingled with funds of the book or any of its owners, employees, affiliates, or other persons or entities associated with the book.

4. The reserve described in subsections 1 and 2 may be combined as a single amount for a book and its satellite books.

5. The reserve described in subsections 1 and 2 may be combined as a single amount with the reserve described in NGC Regulation 22.040.

6. If a reserve is maintained in the form of cash, cash equivalent, or an irrevocable letter of credit, it must be held or issued, as applicable, by a federally-insured financial institution. If the reserve is maintained in the form of a bond, it must be written by a bona fide insurance carrier. The reserve must be established pursuant to a written agreement between the book and the financial institution or insurance carrier, but the book may engage an intermediary company or agent acceptable to the chairman to deal with the institution or carrier, in which event the reserve may be established pursuant to written agreements between the book and the intermediary and between the intermediary and the financial institution or insurance carrier.

7. The agreements described in subsection 6 must reasonably protect the reserve against claims of the book's creditors other than the patrons for whose benefit and protection the reserve is established, and must provide that:

(a) The reserve is established and held in trust for the benefit and protection of patrons to the extent the book holds money for their account, has accepted wagers from them on contingencies whose outcomes have not been determined, or owes them on winning wagers;

(b) The reserve must not be released, in whole or in part, except to the board on the written demand of the chairman or to the book on the written instruction of the chairman. The reserve must be available within 60 days of the written demand or written notice. The book may receive income accruing on the reserve unless the chairman instructs otherwise pursuant to subsection 14;

(c) The book has no interest in or title to the reserve or income accruing on the reserve except to the extent expressly allowed in this section;

(d) Nevada law and this section govern the agreements and the book's interest in the reserve and income accruing on the reserve;

(e) The agreements are not effective until the chairman's approval has been obtained pursuant to subsection 8; and

(f) The agreements may be amended only with the prior, written approval of the chairman.

8. Each book shall submit to the chairman all information and copies of all documents relating to its proposed reserve arrangement, including copies of the agreements described in subsections 6 and 7, and must obtain the chairman's approval of the agreements and of the reserve arrangement generally. The chairman shall determine whether the agreements and arrangement satisfy the purposes and requirements of this section, may require appropriate changes or withhold approval if they do not, and shall notify the book of the determination. Amendments to reserve agreements or arrangements must be approved in the same manner.

9. A book must calculate its reserve requirement each day. In the event a book determines that its reserve is not sufficient to cover the calculated requirement, the book must, within 24 hours, notify the chairman of this fact in writing and must also indicate the steps the book has taken to remedy the deficiency.

10. Each book must engage an independent certified public accountant to examine the pertinent records relating to the reserve each month and determine the reserve amounts required by this section for each day of the previous month and the reserve amounts actually maintained by the book on the corresponding days. The book shall make available to the accountant whatever records are necessary to make this determination. The accountant shall report the findings with respect to each day of the month under review in writing to the chairman and the book no later than the tenth day of the next month. The report shall include the licensee's statement addressing each day of noncompliance and the corrective measures taken.

11. The report described in subsection 10 may be prepared by an employee of the licensee that is independent of the book if written approval has been received from the chairman. The report must contain the signature of an employee attesting to the accuracy of the submitted information.

12. If the chairman is notified pursuant to subsection 9, or the report described in subsection 10 indicates that at any time during the month under review the amount of the reserve did not meet the requirements of this section, the chairman may instruct the book to either increase the reserve accordingly or cease accepting wagers and money for the account of patrons until such time as the reserve meets the requirements of this section and is confirmed to the chairman's satisfaction.

13. If the report indicates that the amount of the reserve exceeds the requirements of this section, the chairman shall, at the book's request, instruct the financial institution, insurance carrier, or intermediary to remit the excess to the book or, in the case of a bond, to reduce the bond accordingly.

14. When a book ceases operating and its license lapses or is surrendered or revoked, the chairman may demand payment of the reserve, any income accruing on the reserve after operations cease, and, if instructions from the chairman that income accruing on the reserve not be paid to the book are in effect when operations cease, any income accruing since the instructions took effect. The board may interplead the funds in state district court for distribution to the patrons for whose protection and benefit the reserve was established and to such other persons as the court determines are entitled thereto, or shall take such other steps as are necessary to effect the proper distribution of the funds, or may do both.

15. As used in this section, "month" means a calendar month unless the chairman requires or approves a different monthly period to be used for purposes of this section, in which case "month" means the monthly period so required or approved.

(Adopted: 9/05. Amended 5/17.)

(1) Amounts held by the book for the account of patrons;

(b) Before beginning operations, each newly-licensed book must establish a reserve of at least the greater of \$25,000 or the amount the chairman projects will at least equal the sum of the amounts specified in subparagraphs (1), (2), and (3) of subsection 1(a) at the end of the first week of the book's operation. After the book begins operations, the book's reserve must comply with subsection 1.

2. The reserve described in subsection 1 may be combined as a single amount for a book and its satellite books.

3. The reserve described in subsection 1 may be combined as a single amount with the reserve described in NGC Regulation 22.040.

6. For licensed Nevada pari-mutuel race books to accept off-track pari-mutuel horse race wagers on established wagering accounts for residents of Nevada and residents of any state or foreign jurisdiction as provided for in Regulation 26C.160(4), the book will perform procedures to provide reasonable assurance that the patron is located within the borders of a state or foreign jurisdiction in which pari-mutuel horse race wagering is legal, and that the state or foreign jurisdiction does not otherwise restrict wagering on accounts located outside its borders prior to accepting a wagering communication. Reasonable assurance of patron location includes, but is not limited to, an inquiry process through electronic or voice-only means in which patrons affirm their physical location at the time of each wagering communication.
