22.040 Reserve requirements.

1. Unless the chairman for good cause permits or requires a different amount, each book shall at all times maintain a reserve of not less than the greater of \$25,000 or the sum of the following amounts:

- (a) Amounts held by the book for the account of patrons;
- (b) Amounts accepted by the book as wagers on contingencies whose outcomes have not been determined; and
- (c) Amounts owed but unpaid by the book on winning wagers through the period established by the book for honoring winning wagers.

2. Before beginning operations, each newly-licensed book must establish a reserve of at least the greater of \$25,000 or the amount the chairman projects will at least equal the sum of the amounts specified

in paragraphs (a), (b) and (c) of subsection 1 at the end of the first week of the book's operation. After the book begins operations, the book's reserve must comply with subsection 1.

3. The reserve described in subsections 1 and 2 must be maintained in the form of cash, cash equivalent, an irrevocable letter of credit, a bond, or a combination thereof. Except as otherwise provided in subsection 4, the reserve must be unencumbered and must not be commingled with funds of the book or any of its owners, employees, affiliates, or other persons or entities associated with the book.

4. The reserve described in subsections 1 and 2 may be combined as a single amount for a book and its satellite books.

5. If a reserve is maintained in the form of cash, cash equivalent, or an irrevocable letter of credit, it must be held or issued, as applicable, by a federally-insured financial institution. If the reserve is maintained in the form of a bond, it must be written by a bona fide insurance carrier. The reserve must be established pursuant to a written agreement between the book and the financial institution or insurance carrier, but the book may engage an intermediary company or agent acceptable to the chairman to deal with the institution or carrier, in which event the reserve may be established pursuant to written agreements between the book and the intermediary and between the intermediary and the financial institution or insurance carrier.

6. The agreements described in subsection 5 must reasonably protect the reserve against claims of the book's creditors other than the patrons for whose benefit and protection the reserve is established, and must provide that:

(a) The reserve is established and held in trust for the benefit and protection of patrons to the extent the book holds money for their account, has accepted wagers from them on contingencies whose outcomes have not been determined, or owes them on winning wagers;

(b) The reserve must not be released, in whole or in part, except to the board on the written demand of the chairman or to the book on the written instruction of the chairman. The reserve must be available within 60 days of the written demand or written notice. The book may receive income accruing on the reserve unless the chairman instructs otherwise pursuant to subsection 13;

(c) The book has no interest in or title to the reserve or income accruing on the reserve except to the extent expressly allowed in this section;

(d) Nevada law and this section govern the agreements and the book's interest in the reserve and income accruing on the reserve;

(e) The agreements are not effective until the chairman's approval has been obtained pursuant to subsection 7; and

(f) The agreements may be amended only with the prior, written approval of the chairman.

7. Each book shall submit to the chairman all information and copies of all documents relating to its proposed reserve arrangement, including copies of the agreements described in subsections 5 and 6, and must obtain the chairman's approval of the agreements and of the reserve arrangement generally. The chairman shall determine whether the agreements and arrangement satisfy the purposes and requirements of this section, may require appropriate changes or withhold approval if they do not, and shall notify the book of the determination. Amendments to reserve agreements or arrangements must be approved in the same manner.

8. A book must calculate its reserve requirement each day. In the event a book determines that its reserve is not sufficient to cover the calculated requirement, the book must, within 24 hours, notify the chairman of this fact in writing and must also indicate the steps the book has taken to remedy the deficiency.

9. Each book must engage an independent certified public accountant to examine the pertinent records relating to the reserve each month and determine the reserve amounts required by this section for each day of the previous month and the reserve amounts actually maintained by the book on the corresponding days. The book shall make available to the accountant whatever records are necessary to make this determination. The accountant shall report the findings with respect to each day of the month under review in writing to the board and the book no later than the tenth day of the next month. The report shall include the licensee's statement addressing each day of noncompliance and the corrective measures taken.

10. The report described in subsection 9 may be prepared by an employee of the licensee that is independent of the book if written approval has been received from the chairman. The report must contain the signature of an employee attesting to the accuracy of the submitted information.

11. If the chairman is notified pursuant to subsection 8, or the report described in subsection 9 indicates that at any time during the month under review the amount of the reserve did not meet the requirements of this section, the chairman may instruct the book to either increase the reserve accordingly or cease

accepting wagers and money for the account of patrons until such time as the reserve meets the requirements of this section and is confirmed to the chairman's satisfaction.

12. If the report indicates that the amount of the reserve exceeds the requirements of this section, the chairman shall, at the book's request, instruct the financial institution, insurance carrier, or intermediary to remit the excess to the book or, in the case of a bond, to reduce the bond accordingly.

13. When a book ceases operating and its license lapses or is surrendered or revoked, the chairman may demand payment of the reserve, any income accruing on the reserve after operations cease, and, if instructions from the chairman that income accruing on the reserve not be paid to the book are in effect when operations cease, any income accruing since the instructions took effect. The board may interplead the funds in state district court for distribution to the patrons for whose protection and benefit the reserve was established and to such other persons as the court determines are entitled thereto, or shall take such other steps as are necessary to effect the proper distribution of the funds, or may do both.

14. As used in this section, "month" means a calendar month unless the chairman requires or approves a different monthly period to be used for purposes of this section, in which case "month" means the monthly period so required or approved.

(Adopted: 7/85. Effective: 9/1/85. Amended: 6/86; 11/98; 9/05.)

22.050 Issuance and control of betting tickets.

1. Immediately upon accepting a wager, other than an account wager, the book shall create a betting ticket on which the terms of the wager are written.

2. Betting tickets must bear the name and address of the book.

(Adopted: 7/85. Effective: 9/1/85. Amended: 11/98; 9/05.)

22.060 Acceptance of wagers.

1. Books may not accept wagers unless made with cash, chips, tokens, or other representatives of value approved by the chairman, or against credits made to a wagering account as provided for in Regulation 22.160 or on credit extended in accordance with the provisions of chapter 463 of NRS and the regulations of the Nevada gaming commission.

2. A book shall accept wagers only on its licensed premises, and only at betting stations approved by the chairman or through an account wagering system that has been approved by the chairman.

3. A book shall not knowingly accept money or its equivalent ostensibly as a wager upon an event whose outcome has already been determined. A licensed sports pool shall not accept a wager on an event unless the date and time at which the outcome of the event is determined can be confirmed from reliable sources satisfactory to the chairman or from records created and maintained by the book in such manner as the chairman may approve.

4. Licensed sports pools may accept wagers, including parlay card wagers, as to which of the participating contestants will win specified sports events and as to whether the total points scored in a specified game, match, or similar sports event will be higher or lower than a number specified for that event. Licensed sports pools shall not accept wagers, including parlay card wagers, on other contingencies unless their outcomes are reported in newspapers of general circulation or in official, public records maintained by the appropriate league or other governing body, or unless the pertinent sports events are televised live at the book and a book employee other than a betting ticket writer monitors the telecast, records the occurrence of the pertinent events and contingencies simultaneously with their occurrence, and records the time of their occurrence.

5. No book or agent or employee of a book may accept a wager from a person who the book, agent, or employee knows or reasonably should know is a messenger bettor or is placing the wager in violation of state or federal law.

6. No book may hold a patron's money or its equivalent on the understanding that the book will accept the money as a wager only upon the occurrence of a specified, future contingency, unless a betting ticket documenting the wager and contingency is issued immediately when the book receives the money or its equivalent.

7. A race book or sports pool may not accept wagers on a race or sporting event unless the wagering proposition is posted. Propositions may be posted by electronic or manual means, including printed media. If posted propositions are not updated simultaneously with actual changes to the propositions, an announcement, audible throughout the race book or sports pool, must be made simultaneously with the actual changes followed by updating the posted propositions within a time specified in the house rules.

(Adopted: 7/85. Effective: 9/1/85. Amended: 6/86; 7/87; 11/98; 9/05; 6/30/07.)

A book shall not implement alternative procedures to comply with this subsection without the written approval of the chairman.

4. 5. As used in this section, a "listed patron" means a known patron for whom the book has requested and received approval from the chairman to exclude wagers placed by the patron from the reporting requirements of this section. If the chairman does not deny the request for approval within 15 days of receipt of the request, the request will be deemed to be approved. All approvals may be revoked at any time at the discretion of the chairman, and are conditioned that the patron's wagers remain subject to the identification and recordkeeping requirements of subsections 1 through 4 and of Regulations 22.062 and 22.063. A book's written request to have a patron approved as a listed patron shall include:

- (a) The patron's name;

Each book shall retain a copy of each report filed for at least 5 years unless the chairman requires retention for a longer period of time.

(Adopted: 11/98. Effective: 3/1/99. Amended: 9/05; 6/07; 11/15.)

22.062 Multiple wagers.

1. A book and its employees and agents shall not knowingly allow, and each book shall take reasonable steps to prevent, the circumvention of Regulation 22.061 by multiple wagers within its designated 24-hour period with a patron or a patron's agent or by the use of a series of wagers that are designed to accomplish indirectly that which could not be accomplished directly. As part of a book's efforts to prevent such circumventions relative to Regulation 22.061 a book shall establish and implement wagering multiple transaction logs.

2. Each book shall record in a wagering multiple transaction log all nonpari-mutuel wagers in excess of \$5,000, or in smaller amounts that aggregate in excess of \$5,000 when any single officer, employee, or agent of the book has actual knowledge of the wagers or would in the ordinary course of business have reason to know of the wagers between the book and a patron or a person who the book knows or has reason to know is the patron's confederate or agent. This record shall be made for nonpari-mutuel wagers occurring during a designated 24-hour period, within a monitoring area.

3. Each log entry in a wagering multiple transaction log shall be made by the employee accepting or approving the wager, immediately after accepting the wager, and shall include at a minimum:

- (a) Description of the patron (or agent), which may include such identifiers as age, sex, race, eye color, hair, weight, height and attire, if the person is present when the wager is accepted;
- (b) Patron's name and agent's name, if known;
- (c) Window number or other identification of the location where the wager occurred;
- (d) Time and date of the wager;
- (e) Dollar amount of the wager; and
- (f) Signature of person accepting or approving the wager.

One log shall be maintained for each monitoring area, for each designated 24-hour period. A log is completed for each 24-hour period regardless of whether any nonpari-mutuel wagers occurred. At the conclusion of each designated 24-hour period, the last entry on the log shall be an indication that the end of the designated 24-hour period has occurred. A book shall not implement alternative procedures or records to comply with this subsection without the written approval of the chairman.

4. Each book shall aggregate all nonpari-mutuel wagers in excess of \$5,000 or smaller amounts when any single officer, employee, or agent of the book has actual knowledge of the wagers or would in the ordinary course of business have reason to know of the wagers between the book and a patron or a person who the book knows or has reason to know is the patron's confederate or agent during a designated 24-hour period within a monitoring area.

5. Before completing a wager that, when aggregated with other wagers pursuant to subsection 4, will aggregate to an amount that will exceed \$10,000, the book shall complete the identification and

recordkeeping requirements described in subsection 1 of Regulation 22.061. When aggregated wagers exceed \$10,000, the book shall complete the recording and reporting requirements of Regulation 22.061.

6. If a patron places a wager that pursuant to subsection 4 is to be aggregated with previous wagers for which a record has been completed pursuant to this section or Regulation 22.061, the book shall complete the identification, recordation and reporting procedures described in Regulation 22.061 for any additional wager regardless of amount occurring during a designated 24-hour period.

7. As used in this section:

(a) "Designated 24-hour period" means the 24-hour period ending at midnight each day unless otherwise approved by the chairman.

(b) "Monitoring area" means all race book and sports pool writing locations unless otherwise approved by the chairman.

(Adopted: 11/98. Amended: 6/30/07; 8/21/08. Effective: 3/1/99.)

22.063 Structured wagers.

1. A book, its officers, employees or agents shall not encourage or instruct the patron to structure or attempt to structure wagers. This subsection does not prohibit a book from informing a patron of the regulatory requirements imposed upon the book, including the definition of structured wagers.

2. A book, its officers, employees or agents shall not knowingly assist a patron in structuring or attempting to structure wagers.

3. As used in this section, "structure wagers" or "structuring wagers" means to willfully conduct or attempt to conduct a series of wagers in any amount, at one or more books, on one or more days in any manner as to willfully evade or circumvent the recording and reporting requirements of Regulation 22.061. The wager or wagers need not exceed the dollar thresholds in Regulation 22.061 at any single book in any single day in order to constitute structuring within the meaning of this definition.

(Adopted: 11/98. Effective: 3/1/99.)

22.064 Required submissions to the board. [Repealed: 6/30/07.]

22.065 Imposition of supplemental recordkeeping and reporting requirements. The chairman may require a book to comply with the identification, recordkeeping, and reporting requirements of Regulations 22.061 and 22.062 for pari-mutuel wagers. The chairman shall notify the book of the decision, in writing, and such decision shall be considered an administrative decision, and therefore reviewable pursuant to the procedures set forth in Regulations 4.185, 4.190 and 4.195.

(Adopted: 11/98. Effective: 3/1/99. Amended: 9/05.)

22.070 Grading of betting tickets. [Repealed: 1/1/99.]

22.080 Payment of winning wagers.

1. Except as otherwise provided in this subsection, books shall make payment on a winning wager to the person who presents the patron's copy of the betting ticket representing the wager. A book need not make payment to a person who the book or an agent or employee of the book knows is not the person to whom the patron's copy was issued. A book shall not make payment on a winning wager to a person who the book or its agent or employee knows or reasonably should know is collecting the payment on behalf of another for monetary consideration or in violation of federal law.

2. Presentment of the betting ticket and payment of the winning wager may be made at an affiliated book provided that:

22.090 Parlay card wagers.

1. As used in this section, "parlay card wager" means a wager on the outcome of a series of 3 or more games, matches, or similar sports events or on a series of 3 or more contingencies incident to particular games, matches or similar sports events.

2. Each sports pool that offers to accept parlay card wagers shall fully, accurately, and unambiguously disclose on all parlay card wagering forms:

(a) The amounts to be paid to winners or the method by which such amounts are to be determined and, if the sports pool limits payouts to an aggregate amount under subsection 3, the aggregate amount and the establishments to which it applies.

(b) The effect of ties.

(c) The minimum and maximum betting limits, if any.

(d) The procedure for claiming winnings, including but not limited to the documentation players must present to claim winnings, time limits, if any, for claiming winnings, whether winnings may be claimed and paid by mail and, if so, the procedure for claiming winnings by mail.

(e) The effects of an event wagered on not being played on the date specified and of other events that will cause selections to be invalid.

(f) The requirement that a parlay card wager must consist of at least three selections that have not become invalid under applicable house rules or the wager will be void and the money wagered will be refunded.

(g) The rights, if any, reserved by the sports pool, including but not limited to reservation of the right to refuse any wager or delete or limit any selection prior to the acceptance of a wager, or to withhold payouts of specified amounts until the outcome of each proposition offered by the parlay card has been determined.

(h) The requirement that the point spreads printed on the parlay card wagering form when the wager is accepted will be used to determine the outcomes of the wagers.

(i) That the sports pool's house rules apply to parlay cards unless otherwise stated on the parlay card wagering form.

3. As used in this subsection, "parlay card" means a wagering form offering exactly the same propositions on exactly the same terms.

(a) A sports pool, a sports pool and its outstation books, or a sports pool and its satellite books may limit the aggregate amount to be paid to winners on a parlay card in proportion to the amounts won, provided that the aggregate limit must not be less than the amount disclosed on the parlay card (the "base amount") plus twice the amount wagered on the parlay card at all establishments to which the aggregate limit applies.

(b) When a sports pool knows or reasonably should know that actual payouts on a parlay card will be limited by an aggregate amount established under paragraph (a), the sports pool shall cease accepting wagers and making payouts on the parlay card. After the outcome of the final game, match, or event covered by the parlay card has been determined, the sports pool shall pay each winner at least that proportion of the payout amount stated on the parlay card that the aggregate limit bears to total payouts (including payouts made prior to the suspension of payouts) that would otherwise have been made but for the limit.

(c) When a book ceases accepting wagers and making payouts on a parlay card under paragraph (b), the book may accept wagers on the parlay card on those propositions whose outcomes have not been determined if the parlay card, patron receipts, and related documentation are distinguishable from the card, receipts, and documentation as to which the book has ceased accepting wagers, in which case the parlay card shall be considered a different parlay card for purposes of this subsection.

(d) If a book pays the winner of a parlay card wager more than 10 percent of the base amount established under paragraph (a) before the outcome of every proposition offered by the parlay card has been determined, the book must pay every winner of a wager on that parlay card the proper payout amount stated on the parlay card in full and without regard to any aggregate limit established under paragraph (a).

(e) In specific cases the commission may waive or impose requirements more restrictive than the requirements of this subsection.

The chairman may subject any technology that would be utilized to offer the event to such testing, investigation and approval process as he deems appropriate.

3. The chairman may refer a request for approval to the full board and commission for consideration, or grant, deny, limit, restrict or condition a request made pursuant to subsection 2 for any cause he deems reasonable. A book aggrieved by an administrative decision of the chairman may submit the matter for review by the board and commission pursuant to NGC Regulations 4.185 through 4.195, inclusive.

4. The chairman is hereby granted the authority to issue an interlocutory order, revoking or suspending any administrative approval granted pursuant to subsection 3 for any cause deemed reasonable. An interlocutory order shall be deemed delivered and effective when personally served upon the book, or if personal service is impossible or impractical, when deposited, postage prepaid, in the United States mail, to the book at its address as shown in the records of the commission. If an interlocutory order revoking or suspending the administrative approval is issued, the effected book may request that the order be reviewed by the board and commission pursuant to NGC Regulation 4.185 through 4.195, inclusive.

5. Whenever the chairman refers a request for approval to the board and commission for consideration, the request shall be deemed an application and the book which submitted the request shall submit the application fee set forth in subsection 3 of NGC Regulation 4.070. Such application shall be included on the agenda of the next regularly scheduled meeting of the board occurring more than 10 working days after receipt of the application fee and, thereafter, on the agenda of the next regularly scheduled meeting of the commission. The commission, after considering the recommendation of the board, may grant, deny, limit, restrict or condition the application for any cause it deems reasonable and the decision of the commission shall be final and shall not be subject to any further administrative or judicial review.

(b) In violation of or as part of a plan to violate or evade any federal, state or local law or regulation prohibiting wagering by, or on behalf of, a coach or participant in a collegiate sport or athletic event; or

(c) Has no business or apparent lawful purpose or is not the sort of wager which the particular patron would normally be expected to place, and the sports pool licensee knows of no reasonable explanation for the wager after examining the available facts, including the background of the wager.

2. A sports pool licensee:

(a) Shall file with the board, by using a form developed by the board, a report of any suspicious wager, if it involves or aggregates to more than \$5,000 in funds or other assets; and

(b) May file a report of any suspicious wager, regardless of the amount if the licensee believes it is relevant to the possible violation of any law or regulation.

3. The report in subsection 2(a) shall be filed no later than 7 calendar days after the initial detection by the licensee of facts that may constitute a basis for filing such a report. If no suspect was identified on

the date of the detection of the incident requiring the filing, a licensee may delay filing a report for an additional 7 calendar days to identify a suspect. In no case shall reporting be delayed more than 14 calendar days after the date of initial detection of a reportable transaction. In situations involving violations that require immediate attention, the licensee shall immediately notify, by telephone, the board in addition to timely filing a report.

4. A licensee shall maintain a copy of any report filed and the original or business record equivalent of any supporting documentation for a period of five years from the date of filing the report. 6. For purposes of this regulation, "collegiate sport or athletic event" means a sport or athletic event offered or sponsored by or played in connection with a public or private institution that offers educational services beyond the secondary level.

The book or the call center must obtain written permission from the chairman by March 1st of each calendar year to continue using the communications technology.

3. As a condition to the granting of the privilege of having communications technology upon the licensed premises, the book and the call center shall be deemed to have consented to the authority of the chairman to require the immediate removal of any communications technology from the licensed premises at any time without prior notice of hearing. After any such removal, the book or the call center may request a hearing before the board as to whether or not circumstances may warrant the permanent revocation of the privilege of having communications technology upon the premises.

4. 9. The book shall accept wagers on the patron's wagering account only during the year after the account is opened, unless:

(a) The patron places an account wager at least once every year; or

(b) The patron renews the account. Patrons may renew accounts for one and only one additional year by appearing personally before employees of the book as set out in subsection 7(a) of this section prior to the expiration of the initial year and signing a renewal form. Two employees of the book, at least one of whom must be a supervising employee, shall witness the patron's signature on the renewal form and each shall attest thereto by signing the renewal form. When the renewal period expires, the book shall accept no further wagering communications from the patron until the patron again complies with the provisions of subparagraphs (a), (b), (d), and (e) of subsection 7. Additionally, a book shall not accept a wager on such an account if the patron is not physically located within Nevada's borders.

22.145 Account wagering systems. Account wagering systems shall:

1. For systems that use other than voice-only wagering communications technology, provide for the patron's review and confirmation of all wagering information before the wagering communication is accepted by the book. The system shall create a record of the confirmation. This record of the confirmation of the wager shall be deemed to be the actual transaction of record, regardless of what wager was recorded by the system;

2. Prohibit wagers from being changed after the patron has reviewed and confirmed the wagering information, and the specific wagering communication transaction has been completed;

3. Prohibit the acceptance of wagers after post time except those originated after post time that are approved in the same manner as other events approved pursuant to Regulation 22.120;

4. Prohibit a book from accepting an account wager, or a series of account wagers, in an amount in excess of the available balance of the wagering account;

5. Prohibit a book from accepting out-of-state sports wagers and out-of-state nonpari-mutuel horse race wagers;

(Adopted: 9/05. Amended: 1/27/11.)

22.147 Account wagering rules. Each book that offers account wagering shall adopt, conspicuously display at its licensed premises, make available through the account wagering system, and adhere to written, comprehensive house rules governing account wagering transactions with patrons. 3. For all wagering communications the book is required to make a voice, print, electronic or other approved record of the entire transaction and shall not accept any such wager or transaction if the recording system is inoperable. The record of the patron's confirmation of all wagering information shall be deemed to be the transaction of record, regardless of what was recorded by the computerized bookmaking or pari-mutuel system. The records are made available to the board upon request.
