NGC Regulation 6.090(15) requires the internal auditor to use guidelines, checklists and other “criteria established by the chairman” in determining whether a Group I licensee is in compliance with applicable statutes, regulations, and Minimum Internal Control Standards (MICS). The use of this checklist satisfies these requirements.

Date of Inquiry	Person Interviewed	Position

Checklist Completion Notes:

- 1) Unless otherwise instructed, examine a completed document for compliance for those questions referring to records/documentation as indicated and recalculate where appropriate. Indicate (by tickmark) whether the procedures were confirmed via examination/review of documentation, through inquiry of personnel or via observation of procedures. Tickmarks used are to be defined at the bottom of each page.

- 2) All “no” answers require referencing and/or comment, and should be cited as regulation violations, unless the Board Chairman has granted a Regulation waiver or the question requires a “no” answer for acceptability. All “N/A” answers require referencing and/or comment, as to the reason the procedure is not applicable. All exceptions noted should be carried to the internal auditor’s report/summary of findings for timely follow-up.

Scope:

This checklist must be completed once in each fiscal year.

Regulation Waivers:

Obtain copies of regulation waiver requests and GCB correspondence regarding such requests from appropriate property personnel. Review to determine status of evidence of any waivers or alternative requirements imposed by granted waivers. Modify and/or perform additional procedures as applicable.

Date Approval Granted	Regulation	Description of Waiver Granted	Number(s) of Procedure Modified or Added	W/P Ref. (if appl.)

Note: Waivers need only be scheduled once. Refer to the workpaper where the details are scheduled and complete the last two columns of the above grid if walk-through procedures are affected.

NGC Regulation 6.090(15) requires the internal auditor to use guidelines, checklists and other “criteria established by the chairman” in determining whether a Group I licensee is in compliance with applicable statutes, regulations, and Minimum Internal Control Standards (MICS). The use of this checklist satisfies these requirements.

Preparation:

Obtain the most recent Board issued “List of Denials and Findings of Unsuitability” available on the Board’s website. Be cognizant of these individuals in the performance of the various testing procedures. Agreements or contracts with these individuals are prohibited pursuant to **NRS 463.165**, unless prior Nevada Gaming Commission approval was received.

Checklist Completion Notes:

- 1) Unless otherwise instructed, examine a completed document of the licensee for compliance for those questions referring to records/documentation as indicated and recalculate where appropriate. Only those documents of the operating licensee need be examined/reviewed. Indicate (by tickmark) whether the procedures were confirmed via examination/review of documentation, through inquiry of personnel or via observation of procedures. Tickmarks used are to be defined at the bottom of each page.
- 2) All “no” answers require referencing and/or comment, and should be cited as regulation violations, unless the Board Chairman has granted a regulation waiver or the question requires a “no” answer for acceptability. All exceptions noted should be carried to the internal auditor’s report/summary of findings for timely follow-up.

Scope:

See individual procedures.

Procedures	Step completed without exception	Exception/Comment
