1. It is the policy of the commission and the board to require that all establishments wherein gaming is conducted in this state be operated in a manner suitable to protect the public health, safety, morals, good order and general welfare of the inhabitants of the State of Nevada.
2. Responsibility for the employment and maintenance of suitable methods of operation rests with the licensee, and willful or persistent use or toleration of methods of operation deemed unsuitable will constitute grounds for license revocation or other disciplinary action.

(Amended: 1/69.)

5.011 Grounds for disciplinary action. The board and the commission deem any activity on the part of any licensee, his agents or employees, that is inimical to the public health, safety, morals, good order and general welfare of the people of the State of Nevada, or that would reflect or tend to reflect discredit upon the State of Nevada or the gaming industry, to be an unsuitable method of operation and shall be grounds for disciplinary action by the board and the commission in accordance with the Nevada Gaming Control Act and the regulations of the board and the commission. Without limiting the generality of the foregoing, the following acts or omissions may be determined to be unsuitable methods of operation:

1. Failure to exercise discretion and sound judgment to prevent incidents which might reflect on the repute of the State of Nevada and act as a detriment to the development of the industry.
2. Permitting persons who are visibly intoxicated to participate in gaming activity.
3. Complimentary service of intoxicating beverages in the casino area to persons who are visibly intoxicated.
4. Failure to conduct advertising and public relations activities in accordance with decency, dignity, good taste, honesty and inoffensiveness, including, but not limited to, advertising that is false or materially misleading.
5. Catering to, assisting, employing or associating with, either socially or in business affairs, persons of notorious or unsavory reputation or who have extensive police records, or persons who have defied congressional investigative committees, or other officially constituted bodies acting on behalf of the United States, or any state, or persons who are associated with or support subversive movements, or the employing either directly or through a contract, or any other means, of any firm or individual in any capacity where the repute of the State of Nevada or the gaming industry is liable to be damaged because of the unsuitability of the firm or individual or because of the unethical methods of operation of the firm or individual.
6. Employing in a position for which the individual could be required to be licensed as a key employee pursuant to the provisions of Regulations 3.100 and 3.110, any person who has been denied a state gaming license on the grounds of unsuitability or who has failed or refused to apply for licensing as a key employee when so requested by the commission.
7. Employing in any gaming operation any person whom the commission or any court has found guilty of cheating or using any improper device in connection with any game, whether as a licensee, dealer, or player at a licensed game or device; as well as any person whose conduct of a licensed game as a dealer or other employee of a licensee resulted in revocation or suspension of the license of such licensee.
8. Failure to comply with or make provision for compliance with all federal, state and local laws and regulations pertaining to the operations of a licensed establishment including, without limiting the generality of the foregoing, payment of all license fees, withholding any payroll taxes, liquor and entertainment taxes and antitrust and monopoly statutes.

The Nevada gaming commission in the exercise of its sound discretion can make its own determination of whether or not the licensee has failed to comply with the aforementioned, but any such determination shall make use of the established precedents in interpreting the language of the applicable statutes. Nothing in this section shall be deemed to affect any right to judicial review.

9. (a) Possessing or permitting to remain in or upon any licensed premises any cards, dice, mechanical device or any other cheating device whatever, the use of which is prohibited by statute or ordinance, or
(b) Conducting, carrying on, operating or dealing any cheating or thieving game or device on the premises, either knowingly or unknowingly, which may have in any manner been marked, tampered with or otherwise placed in a condition, or operated in a manner, which tends to deceive the public or which might make the game more liable to win or lose, or which tends to alter the normal random selection of criteria which determine the results of the game.
10. Failure to conduct gaming operations in accordance with proper standards of custom, decorum and decency, or permit any type of conduct in the gaming establishment which reflects or tends to reflect on the repute of the State of Nevada and act as a detriment to the gaming industry.
11. Whenever a licensed game or a slot machine, as defined in the Gaming Control Act, is available for play by the public:
 - (a) At a nonrestricted location, failure to have an employee of the licensee present on the premises to supervise the operation of the game or machine;
 - (b) At a restricted location, failure to have a responsible person who is at least 21 years old present on the premises to supervise the operation of the game or machine.

12. Except as provided in NGC Regulation 5.140 and except as to transfers of interest under NGC Regulation 8.030, the sale or assignment of any gaming credit instrument by a licensee, unless the sale is to a publicly traded or other bona fide financial institution pursuant to a written contract, and the transaction and the terms of the contract, including but not limited to the discount rate, are reported to the board for approval pursuant to NGC Regulation 8.130.

13. Issuing credit to a patron to enable the patron to satisfy a debt owed to another licensee or person, including an affiliate (as that term is defined in NGC Regulation 15.482–3) of the licensee. This subsection shall not prohibit a licensee from collecting a debt owed to an affiliate of the licensee.

14. Denying any board or commission member or agent, upon proper and lawful demand, access to, inspection or disclosure of any portion or aspect of a gaming establishment as authorized by applicable statutes and regulation.

5.012 Publication of payoffs.

1. Except as specifically provided herein, payoff schedules or award cards applicable to every licensed game or slot machine shall be displayed at all times either on the table or machine or in a conspicuous place immediately adjacent thereto. In the case of craps, keno and faro games the foregoing requirement will be satisfied if published payoff schedules are maintained in a location readily accessible to players and notice of the location of such schedule is posted on or adjacent to the table. In the case of slot machines, the foregoing requirements will be satisfied if:

(a) The player is at all times made aware that payoff schedules or award cards applicable to any game offered for play are readily accessible and will be displayed on the video display screen of the device upon the initiation of a command by the player, or

(b) The award cards of any game offered for play are displayed at all times when the device is available for play.

2. Payoff schedules or award cards must accurately state actual payoffs or awards applicable to the particular game or device and shall not be worded in such manner as to mislead or deceive the public. Maintenance of any misleading or deceptive matter on any payoff schedule or award card or failure on the part of a licensee to make payment in strict accordance with posted payoff schedules or award cards may be deemed an unsuitable method of operation.

(Formerly Sec. 5.011. Amended: 10/94; 11/20/97.)

5.013 Gaming by, and issuance of gaming credit to, owners, directors, officers, and employees.

1. Except as provided in subsection 2, no officer, director, owner or key employee of an entity which holds a gaming license in this state, or of an affiliate or an affiliated company of an entity which holds a gaming license in this state, shall play or place a wager at any gambling game, slot machine, race book or sports pool which is exposed to the public for play or wagering:

(a) By that gaming licensee; or

(b) By an affiliate or an affiliated company of that gaming licensee.

2. Subsection 1 shall not apply to the playing of or wagering on poker, panguingui or off-track pari-mutuel wagering.

3. No race book or sports pool employee shall place a wager, other than an off-track pari-mutuel wager, with the book at which they are employed or at a book of an affiliate or an affiliated company whether on their behalf, on behalf of the race book or sports pool, or on behalf of another person.

4. Licensees shall not issue credit for purposes of gaming to key employees of that licensee whether or not such credit is evidenced by a player card, wagering account or a credit instrument.

5. For the purposes of this section, "affiliate" shall have the same meaning as defined in Regulation 15.482-3 and "affiliated company" shall have the same meaning as defined in NRS 463.4825. "Affiliated company" specifically includes a publicly traded corporation registered with the Commission.

(Formerly Sec. 5.012. Amended: 2/85; 12/19/91; 3/26/92; 2/20/97; 11/98. Effective: 1/1/99.)

5.014 Criminal convictions as grounds for revocation or suspension. The commission may revoke or suspend the gaming license or finding of suitability of a person who is convicted of a crime, even though the convicted person's postconviction rights and remedies have not been exhausted, if the crime or conviction discredits or tends to discredit the State of Nevada or the gaming industry.

(Adopted: 2/85.)

5.015 Ownership identification on gaming devices.

1. An operator of a slot machine route shall affix in a prominent place to each gaming device exposed for play, pursuant to his license or any agreement, a sign or label that identifies the person responsible for repairs of malfunctions of the machine, payments of winnings, and disputes regarding payments.

2. A licensee shall not expose for play any gaming device of an operator of a slot machine route that fails to display the information required by subsection 1 of this section.

(Adopted: 5/88. Effective: 6/88.)

5.020 Race horse books and sports pools. Repealed upon adoption dates of Regulation 22, Sec. 22.010, et seq.

(Amended: 8/61; 12/76.)

5.025 Operation of keno games.

1. As used in this regulation, "chairman" means the chairman of the state gaming control board or his designee.

2. A licensee authorized to operate a keno game shall not increase the limits of winning tickets or the value of a keno game or a progressive keno game to an amount exceeding the total maximum sum of \$250,000 on any one game unless the licensee installs and uses a computerized keno system that satisfied the specification approved by the chairman.

3. A licensee shall not operate a keno game or progressive keno game with limits on winning tickets or the value of the keno game exceeding the total maximum sum of \$250,000 on any one game without the prior written approval of the chairman.

4. The chairman may:

(a) Require that a limit be imposed on a progressive keno game, or that the limits of winning tickets or the value of a keno game or a progressive keno game be decreased, if such a limit or decrease is deemed necessary for the licensee to maintain sufficient minimum bankroll requirements pursuant to Regulation 6.150; or

(b) Require the licensee to at all times maintain a reserve in the form of cash, cash equivalent, a bond, or a combination thereof in an amount determined by the chairman. Subject to the discretion of the chairman, the reserve provided for by this paragraph must be created and maintained in the same manner as a reserve required by Regulation 22.040.

5. Progressive keno is further subject to the provisions of Regulation 5.110 governing progressive payoff schedules.

(Adopted: 4/63. Amended: 12/79; 9/82; 5/89; 5/00.)

5.030 Violation of law or regulations. Violation of any provision of the Nevada Gaming Control Act or of these regulations by a licensee, his agent or employee shall be deemed contrary to the public health, safety, morals, good order and general welfare of the inhabitants of the State of Nevada and grounds for suspension or revocation of a license. Acceptance of a state gaming license or renewal thereof by a licensee constitutes an agreement on the part of the licensee to be bound by all of the regulations of the commission as the same now are or may hereafter be amended or promulgated. It is the responsibility of the licensee to keep himself informed of the content of all such regulations, and ignorance thereof will not excuse violations.

5.040 Investigation of conduct of licensees, generally. A gaming license is a revocable privilege, and no holder thereof shall be deemed to have acquired any vested rights therein or thereunder. The burden of proving his qualifications to hold any license rests at all times on the

licensee. The board is charged by law with the duty of observing the conduct of all licensees to the end that licenses shall not be held by unqualified or disqualified persons or unsuitable persons or persons whose operations are conducted in an unsuitable manner.

5.045 Compliance review and reporting system.

1. Whenever the commission is acting upon any application of a licensee or registrant, or pursuant to its powers provided in NRS 463.310, and if the commission determines that special circumstances exist which require additional management review by a licensee or registrant, the commission may impose a condition upon any license or order of registration to require implementation of a compliance review and reporting system by the licensee or registrant.

2. The terms of the condition may include, but shall not be limited to:

- (a) That the condition shall expire on a certain date or after a designated period of time without commission action;
- (b) That the condition may be administratively removed by the board should a specified activity cease or a specified event occur; or
- (c) That a periodic review shall be conducted by the board and upon such review the board may recommend and the commission may remove or continue to require the condition.

3. Notwithstanding the provisions of subsection 2 above, upon application, a licensee or registrant may request modification or removal of the condition imposed and the commission may, after considering the recommendation of the board, modify or remove the condition.

4. The compliance review and reporting system shall be created for the purpose of monitoring activities relating to the licensee's or registrant's continuing qualifications under the provisions of the Nevada Gaming Control Act and regulations of the commission in accordance with a written plan to be approved by the board administratively or as otherwise ordered by the commission.

5. The written plan must provide for the operation of the compliance review and reporting system and must designate who shall be responsible for said system. The plan must provide for involvement of at least one person knowledgeable of the provisions of the Nevada Gaming Control Act and the regulations of the commission. The plan must require periodic reports to senior management of the licensee or registrant. Such reports shall be advisory and the licensee or registrant shall maintain responsibility for compliance with the Gaming Control Act and regulations of the commission. Copies of the reports must be provided to the board.

6. The activities to be monitored must be set forth in the written plan and must be determined by the circumstances applicable to the licensee or registrant. Without limitation, the activities that may be required to be monitored pursuant to the compliance review and reporting system include the following:

- (a) Associations with persons denied licensing or other related approvals by the commission or who may be deemed to be unsuitable to be associated with a licensee or registrant;
- (b) Business practices or procedures that may constitute grounds for denial of a gaming license or registration;
- (c) Compliance with other special conditions that may be imposed by the commission upon the licensee or registrant;
- (d) Review of reports submitted pursuant to the Nevada Gaming Control Act and regulations of the commission;
- (e) Compliance with the laws, regulations, or orders of duly constituted governmental agencies or entities having jurisdiction over the gaming affairs, or such other business activities which the board or the commission may deem necessary or proper, of the licensee, registrant, or its affiliates; and
- (f) Review of such other activities determined by the board or the commission as being relevant to the licensee's or registrant's continuing qualifications under the provisions of the Nevada Gaming Control Act and the regulations of the commission.

(Adopted: 3/28/91.)

5.050 Information to be furnished by licensees. Every licensee shall report to the board quarterly the full name and address of every person, including lending agencies, who has any right to share in the profits of such licensed games, whether as an owner, assignee, landlord or otherwise, or to whom any interest or share in the profits of any licensed game has been pledged or hypothecated as security for a debt or deposited as a security for the performance of any act or to secure the performance of a contract of sale. Such report shall be submitted concurrently with application for renewal of license.

5.055 Reports of violations. Each licensee shall immediately notify the board's enforcement division by telephone of the discovery of any violation of chapter 465 of NRS and of any violation or suspected violation of any gaming law regarding which the licensee has notified the local police or sheriff.

(Adopted: 2/85.)

5.060 Access to premises and production of records.

1. No applicant, licensee or enrolled person shall neglect or refuse to produce records or evidence or to give information upon proper and lawful demand by a board or commission member or any agent of the board, or shall otherwise interfere, or attempt to interfere, with any proper and lawful efforts by the commission, the board, or any agent to produce such information.

2. Each gaming licensee, licensed manufacturer, and licensed distributor or seller shall immediately make available for inspection by any board or commission member or agent all papers, books and records produced by any gaming business and all portions of the premises where gaming is conducted or where gambling devices or equipment are manufactured, sold or distributed. Any board or commission member or agent shall be given immediate access to any portion of the premises of any gaming licensee, licensed manufacturer or licensed distributor or seller for the purpose of inspecting or examining any records or documents required to be kept by such licensee under the provisions of NRS chapter 463 or the regulations of the Nevada gaming commission, and any gaming device or equipment or the conduct of any gaming activity.

3. Access to the areas and records which may be inspected or examined by board members or agents shall be granted to any board member or agent who displays a badge issued by the board and an identification card signed by a board member. Similar access shall be granted to any commission member who displays an identification card signed by the governor.

(Amended: 8/61; 10/78.)

5.070 Summoning of licensee. The board may summon any licensee or his agents or employees to appear to testify before it or its agents with regard to the conduct of any licensee or the agents or employees of any licensee. All such testimony shall be under oath and may embrace any matters which the board or its agents may deem relevant to the discharge of its official duties. Any person so summoned to appear shall have the right to be represented by counsel. Any testimony so taken may be used by the board as evidence in any proceeding or matter then before it or the commission or which may later come before it or the commission. Failure to so appear and testify fully at the time and place designated, unless excused, shall constitute grounds for the revocation or suspension of any license held by the person summoned, his principal or employer.

5.080 Changing of games.

1. The commission will issue to all nonrestricted licensees a certificate of payment of table fees indicating the actual games authorized to be exposed for play in the establishment. When a licensee wishes to change games he shall:

(a) Request permission of the board and obtain an amended certificate from the commission.

(b) Surrender to the county licensing authority the county license for the game replaced.

(c) Secure a new county license for the game to be installed.

2. Failure to comply with the above requirements will result in assessment of table fees on the new game without allowance of credit for the game replaced. Penalties provided by law for failure to pay license fees when due may also be assessed.

5.085 Unauthorized games. No licensee shall permit any game other than those specifically named in the Nevada Gaming Control Act as a "game" or "gambling game" to be operated without first applying for and receiving permission from the commission to operate such game and, if permission is granted, thereafter obtaining all required state, county and city licenses for the same.

(Adopted: 8/61. Amended: 7/67; 12/83.)

5.090 Unlicensed games or devices.

1. No unlicensed gambling games shall be operated upon the premises of a licensee, nor shall a licensee expose in an area accessible to the public any machine, fixture, table, or device (hereinafter generally referred to as gaming devices) which may be used in the operation of a gambling game without first having paid all current fees and taxes applicable to such games.

2. Whenever a licensee desires to temporarily remove or suspend a game from a licensed status, the licensee shall provide advanced written notice to the board stating the type and number of games sought to be suspended, the initial date and duration of the proposed suspension, and in addition to such notice, the licensee shall thereafter physically remove the gaming device from any area exposed to the public; provided, however, a gaming device may remain in a public area while in an unlicensed status if the licensee, in addition to the foregoing written notification, removes from the gaming device all detachable fixtures such as drop boxes, chip racks, wheelheads, cages, and other similar removable items, and also covers any nondetachable chip rack and any chip rack space with a device capable of being locked and sealed in place; thereafter, the gaming device shall be inspected and sealed by the board and allowed to remain in a public area.

3. Before any game or gaming device suspended from a licensed status in accordance with the foregoing procedure may be reactivated and placed into play, the licensee shall advise the board in writing of its intention and date to reactivate such game, and pay all fees and taxes applicable to said game, and upon the board's reinspection of any gaming device previously sealed, the game may be exposed to play.

(Amended: 1/72.)

5.100 Definitions. As used in Regulations 5.100 to 5.109, inclusive:

Unless otherwise indicated, an "application for registration" also means the change of employment notice prescribed by the board.

3. "Form for application" means the application form prescribed by the board for registration or renewal of registration as a gaming employee and, unless otherwise indicated, also means the change of employment notice form prescribed by the board.

(Amended: 8/25/94; 12/19/02; 11/20/03. Effective: 1/1/04.)

5.101 Registration required.

1. No person shall be employed as a gaming employee unless such person is temporarily registered or registered as a gaming employee in accordance with NRS 463.335 and these regulations.

2. Any person who holds a valid work permit issued before January 1, 2004 shall be deemed to be registered as a gaming employee on January 1, 2004, and the registration of such person shall be deemed to expire on the expiration date set forth on the work permit, unless objected to by the board, suspended or revoked. If there is no expiration date set forth on the work permit, the registration of such person shall be deemed to expire on the person's birthday in 2005, unless objected to by the board, suspended or revoked.

(Adopted: 12/19/02. Amended: 11/20/03; 8/21/08. Effective: 1/1/04.)

5.102 Temporary registration.

1. A person is deemed temporarily registered as a gaming employee upon submission of an application for registration to the licensee for which he will commence or continue working as a gaming employee, unless otherwise prescribed by the chairman.
2. Temporary registration as a gaming employee is valid for a period of 120 days after an application for registration is received by the board, unless objected to by the board, or otherwise suspended or revoked.
(Adopted: 12/19/02. Amended: 11/20/03. Effective: 1/1/04.)

5.103 Suspension and reinstatement of temporary registration.

1. The board may suspend the temporary registration of an applicant if it determines that:
 - (a) The application for registration received from the applicant is not complete; or
 - (b) If the application for registration is not a change of employment notice, the fingerprints submitted by the applicant are illegible or unclassifiable.
2. The board shall suspend the temporary registration of an applicant if it determines that the statement prescribed by the Welfare Division of the Department of Human Resources pursuant to NRS 425.520 is not completed, not signed, or the applicant indicates on the statement that he is subject to a court order for the support of a child and is not in compliance with the order or a plan approved by the district attorney or other public agency enforcing the order for the repayment of the amount owed pursuant to the order.
3. If the board suspends the temporary registration of an applicant pursuant to subsections 1 or 2, it shall notify the applicant and his place of employment of such suspension.
4. An applicant whose temporary registration is suspended pursuant to subsections 1 or 2 shall not be eligible to work as a gaming employee until such time as he rectifies the cause for such suspension and the board reinstates his temporary registration. If an applicant rectifies the cause for his suspension and the board reinstates his temporary registration, the period of time in which the applicant's temporary registration was suspended pursuant to this regulation shall not be included in measuring the 120-day period in which the board may object to such temporary registration of the applicant.
(Adopted: 12/19/02. Amended: 11/20/03. Effective: 1/1/04.)

5.104 Investigation; uniform criteria for objection; objection.

1. Upon receipt of an application for registration, the board shall review it for completeness.
2. Unless the board, after reviewing an application for registration, suspends the temporary registration of the applicant pursuant to Regulation 5.103, it shall conduct an investigation of the applicant to determine whether he is eligible to be or continue to be registered as a gaming employee.
3. The board may object to the registration of an applicant within 120 days after receipt of a complete application for registration for any cause deemed reasonable, including any of the specific grounds cited at NRS 463.335(12).
4. An objection to the registration of an applicant shall be entered if the applicant:
 - (a) Has committed, attempted or conspired to commit any offense in violation of NRS 465.070 to 465.085, inclusive.
 - (b) Has committed, attempted or conspired to commit any offense, within the past 10 years, involving or related to gambling, which is a felony in this state or, if committed in another state, would be a felony in this state.
 - (c) Has committed, attempted or conspired to commit any offense involving larceny related offenses committed against a gaming establishment within the past 10 years.
5. If the board objects to the registration of an applicant pursuant to this regulation, the board shall notify:
 - (a) The applicant pursuant to the notice requirement prescribed in NRS 463.335(10) and the right to apply for a hearing pursuant to NRS 463.335(11); and
 - (b) The applicant's place of employment.

The failure of an applicant to seek review of a determination that he is not eligible for registration as a gaming employee shall be deemed to be an admission that the objection is well founded and such failure precludes administrative or judicial review.

6. If the board does not object to the registration of an applicant pursuant to this regulation, the applicant shall be deemed registered as a gaming employee and is eligible for employment with any nonrestricted licensee in the state until such registration expires as prescribed in NRS 463.335(7), is suspended pursuant to NRS 463.3352 or 463.336, or is revoked pursuant to NRS 463.337.

(Adopted: 12/19/02. Amended: 11/20/03; 8/21/08. Effective: 1/1/04.)

5.105 Duties of licensee.

1. A nonrestricted licensee shall not knowingly employ any person as a gaming employee unless such person is temporarily registered or registered as a gaming employee. A licensee shall check, and may rely on, the system of records maintained by the board to verify the temporary registration, registration or eligibility of a person seeking employment as a gaming employee with such licensee.

2. A licensee shall only access the system of records after a person applies for a position as a gaming employee solely to determine whether the person is registered, temporarily registered, or subject to objection, suspension or revocation. A licensee shall maintain written documentation establishing that it received an application for employment from a person for a position as a gaming employee prior to accessing the system of records and shall retain such documentation for at least 5 years.

3. Before a licensee grants any employee access to the system of records maintained by the board, it shall provide the board with the name, social security number and date of birth of such employee. Upon the termination of employment of such employee or the reassignment of such employee to a position that no longer requires him to access the system of records, the licensee shall immediately notify the board of such termination or reassignment. The information contained within the system of records is confidential and must not be disclosed by such employee or the licensee.

4. If a licensee determines, after accessing the system of records maintained by the board, that a person seeking employment as a gaming employee with such licensee is not temporarily registered or registered as a gaming employee, and is not subject to objection, suspension or revocation, the licensee shall provide the person with a form for application, the statement prescribed in subsections 1 and 2 of NRS 463.3351 and instruct the person to:

- (a) Complete the form for application and the statement prescribed in subsections 1 and 2 of NRS 463.3351;
- (b) Obtain two complete sets of fingerprints;
- (c) Obtain a money order, cashier's check or voucher in the amount prescribed by the board in accordance with NRS 463.335(5); and
- (d) Unless otherwise prescribed by the chairman, return the application for registration to the licensee in a sealed envelope, or in any other confidential manner permitted by the board, for submission to the board.

A licensee shall not employ a person who is not temporarily registered or registered as a gaming employee until such time as the person complies with this subsection.

The photo may be in the form of a photograph or it may be digitally stored, but it must be capable of being reproduced and provided at the request of the board.

2. A person is deemed temporarily registered as a gaming employee upon the filing of a change of employment notice in accordance with subsection 1 and such temporary registration is valid for a period of 120 days after the change of employment notice is received by the board, unless objected to by the board, or otherwise suspended or revoked.

5.108 [Repealed: 11/20/03.]

5.109 Petition for hearing to reconsider objection to registration or to reconsider suspension or revocation of registration.

1. Any person whose application for registration as a gaming employee has been objected to pursuant to NRS 463.335, or whose registration as a gaming employee has been suspended pursuant to 463.336 or revoked pursuant to NRS 463.337, may not request a hearing for reconsideration of the final administrative or judicial action which resulted in such objection, suspension or revocation for a period of one (1) year following the date of such final administrative or judicial action.

2. After the one (1) year period prescribed in subsection 1, an aggrieved person may request a hearing by filing a petition with the board which sets forth the basis of the request for reconsideration. The aggrieved person shall, upon filing such petition, include the statement prescribed in subsections 1 and 2 of NRS 463.3351 and, if requested by the board, two new complete sets of fingerprints together with the fee charged by the Central Repository for Nevada Records of Criminal History to process such fingerprints.

3. Upon receipt of a petition, the board shall conduct an investigation of the person who filed such petition and schedule a hearing. At the hearing, the board shall take any testimony deemed necessary. The board may appoint a hearing examiner and authorize that person to conduct the hearing, including, but not limited to, any of the functions required of the board in the case of hearing conducted pursuant to NRS 463.335.

4. After conducting a hearing pursuant to subsection 3, the board shall in the case of a petition for reconsideration of:

(a) An objection entered pursuant to NRS 463.335 which is the subject of such hearing, review the testimony taken and any other evidence, and render a decision sustaining, modifying or withdrawing the objection which shall be mailed to the person within 45 days after the date of the hearing; or

(b) The suspension of a person's registration pursuant to 463.336 or the revocation of a person's registration pursuant to NRS 463.337, adopt a recommendation to the commission to sustain, modify or reverse the administrative or judicial decision which is the subject of such hearing.

(b) Adopts a recommendation pursuant to subsection 4(b),

it shall present such decision or recommendation to the commission at the next meeting of the commission.

In the case of a unanimous decision to sustain or modify an objection which is rendered by the board pursuant to subsection 4(a), the board is not required to present it to the commission unless the person aggrieved by the decision applies in writing to the commission for review of such decision within 15 days after the announcement of the decision. The failure of the person to apply for a review within such 15-day period shall be deemed to be an admission that the unanimous decision of the board sustaining or modifying the objection is well founded and, pursuant to subsection 9, such person may not file another petition pursuant to this regulation for a period of five (5) years after the date of the board's decision, or such lesser period of time as may be ordered by the board.

6. The commission, in reviewing a decision or recommendation of the board, may sustain, modify or reverse the decision or recommendation of the board or remand the petition to the board for such further investigation or reconsideration as the commission may order. The review by the commission of a board decision or recommendation is limited to the record of the proceedings before the board.

7. An aggrieved person who files a petition pursuant to this regulation may submit a written request for withdrawal of such petition to:

(a) The board at any time prior to the board rendering a decision or adopting a recommendation to the commission pursuant to subsection 4; or

(b) The commission at any time before the commission has acted upon a decision or recommendation of the board pursuant to subsection 6.

8. If a person who files a petition pursuant to this regulation is deemed eligible for employment as a gaming employee, such person shall file a change of employment notice with the board by submitting it to the licensee for whom he becomes employed as a gaming employee within 10 days, unless otherwise prescribed by the chairman. Unless objected to by the board, or otherwise suspended or revoked, the registration of such person as a gaming employee expires 5 years after the date employment commences with the applicable licensee or, in the case of an independent agent, 5 years after the date he contracts with a licensee. Such registration shall be subject to any limitations and conditions that are prescribed by the board or commission.

9. If a person who files a petition pursuant to this regulation is deemed ineligible for employment as a gaming employee, such person may not file a new petition for a period of five (5) years after the date of final board or commission action, as the case may be, or such lesser period of time

as may be ordered by the board or commission. Any such petition shall be processed in accordance with the applicable provisions of this regulation.

(c) "Incremental amount" means the difference between the amount of a progressive payoff schedule and its base amount.

(d) "Progressive payoff schedule" means a game or machine payoff schedule, including those associated with contests, tournaments or promotions, that increases automatically over time or as the game(s) or machine(s) are played.

2. The amount of a progressive payoff schedule shall be conspicuously displayed at or near the games or machines to which the payoff schedule applies. Each licensee shall record the base amount of each progressive payoff schedule when first exposed for play and subsequent to each payoff. At least once a day each licensee shall log the amount of each progressive payoff schedule at the licensee's establishment except for those that can be paid directly from a slot machine's hopper or those offered in conjunction with an inter-casino linked system. Explanations for reading decreases shall be maintained with the progressive logs. When the reduction is attributable to a payoff, the licensee shall record the payoff form number on the log or have the number reasonably available.

3. A licensee may change the rate of progression of any progressive payoff schedule provided that records of such changes are created.

4. A licensee may limit a progressive payoff schedule to an amount that is equal to or greater than the amount of the payoff schedule when the limit is imposed. The licensee shall post a conspicuous notice of the limit at or near the game(s) or machine(s) to which the limit applies.

5. A licensee shall not reduce the amount of a progressive payoff schedule or otherwise eliminate a progressive payoff schedule unless:

(a) A player wins the progressive payoff schedule;

(b) The licensee adjusts the progressive payoff schedule to correct a malfunction or to prevent the display of an amount greater than a limit imposed pursuant to subsection 4, and the licensee documents the adjustment and the reasons for it;

(c) The licensee distributes the entire incremental amount to another single progressive payoff schedule on similar game(s) or machine(s) at the licensee's establishment and:

(1) The licensee documents the distribution;

(2) Any game or slot machine offering the payoff schedule to which the licensee distributes the incremental amount does not require that more money be played on a single play to win the payoff schedule than the game or slot machine from which the incremental amount is distributed unless the incremental amount distributed is increased in proportion to the increase in the amount of the wager required to win the payoff schedule; or

(3) If from a slot machine, any slot machine offering the payoff schedule to which the incremental amount is distributed complies with the minimum theoretical payout requirement of Regulation 14.040(1); and

(4) The distribution is completed within 30 days after the progressive payoff schedule is removed from play or within such longer period as the chairman may for good cause approve;

(d) For games other than slot machines, the incremental amount may be distributed within 90 days of removal through a concluding contest, tournament or promotion and the contest, tournament or promotion is conducted with a game(s) similar to the game(s) from which the amounts are distributed; or

(e) The chairman, upon a showing of exceptional circumstances, approves a reduction, elimination, distribution, or procedure not otherwise described in this subsection, which approval is confirmed in writing.

6. A progressive payoff schedule may be temporarily removed for a period of up to 30 days to allow for the remodeling of the licensed gaming establishment, or for such longer period or other good cause as the chairman may approve.

7. Except as otherwise provided by this section, the incremental amount of a progressive payoff schedule is an obligation to the licensee's patrons, and it shall be the responsibility of the licensee if he ceases operation of the progressive game or slot machine for any reason, including a transfer of ownership of the licensed gaming establishment, to arrange for satisfaction of that obligation in a manner approved by the chairman.

8. Licensees shall maintain the records required by this section for at least five years after they are made unless the chairman approves otherwise in writing.

(Adopted: 9/72. Amended: 3/77; 2/88; 10/90; 9/91; 5/00.)

(e) "Operator" means any person or entity holding a license to operate an inter-casino linked system in Nevada, a person or entity holding a license to operate a slot machine route that operates an inter-casino linked system for slot machines only, or a person or entity holding a license to operate a nonrestricted gaming operation that operates an inter-casino linked system for affiliates.

4. Subject to compliance with the minimum rate of progression requirements set forth in NGC Regulation 14.045(1), an operator may change the rate of progression, including those between multiple progressive payoff schedules and reset funds, provided that records of such changes are created and maintained. The operator, upon request, shall provide such information to the board and participating locations.

5. An operator may limit the amount of progressive payoff schedule to an amount that is equal to or greater than the amount of the progressive payoff schedule when the limit is imposed. The operator shall post a conspicuous notice of the limit at or near each game or machine to which the limit applies. An operator shall notify the board and the participating locations of such limitation, in writing, contemporaneously with the imposition of such limitation.

6. An operator, including an operator that ceases operations, shall not reduce the amount of a progressive payoff schedule or otherwise eliminate a progressive payoff schedule unless:

(a) A player wins the progressive payoff schedule and any reset fund;

(b) For games other than slot machines, the incremental amount of the progressive payoff schedule(s) and any reset fund may be distributed within 90 days of removal through a concluding contest, tournament or promotion and the contest, tournament or promotion is conducted with a game(s) similar to the game(s) from which the amounts are distributed;

(c) The progressive payoff schedule is adjusted to correct a malfunction or to prevent the display of an amount greater than a limit imposed by subsection 5, and the operator documents the adjustment and the reasons for it;

(d) The operator distributes the entire incremental amount and any reset fund to another single inter-casino linked payoff schedule and reset fund, whether progressive or not, on similar games or machines at substantially the same locations, and:

(1) The operator documents the distribution;

(2) Any game or slot machine offering the payoff schedule to which the operator distributes the incremental amount or reset fund does not require that more money be played on a single play to win the payoff schedule than the game or slot machine from which the incremental amount or reset fund is distributed unless the incremental amount distributed is increased in proportion to the increase in the amount of the wager required to win the payoff schedule;

(3) If from a slot machine, any slot machine offering the payoff schedule to which the incremental amount or reset fund is distributed complies with the minimum theoretical payout requirement of Regulation 14.040(1); and

(4) The distribution is completed within 30 days after the progressive payoff schedule or reset fund is removed from play or within such longer period as the chairman may for good cause approve; or

(e) The chairman, upon a showing of exceptional circumstances, approves a reduction, elimination, distribution, or procedure not otherwise described in this subsection, which approval is confirmed in writing.

7. An operator may remove from a licensee's premises games or machines with progressive payoff schedules which are part of an inter-casino linked system if the payoff schedule is otherwise available for play in the same city, or such other geographic area as may be determined by the chairman.

8. Operators shall maintain the records required by this section for at least five years after the records are made unless the chairman approves otherwise in writing.

Waivers of subsections (a), (b) and (c) of this section that have been previously granted by the commission shall remain in full force and effect pursuant to the current terms and provisions of such waivers.

(Adopted: 2/91. Amended: 11/18/99.)

(Adopted: 2/91. Amended: 11/18/99.)

8. Notwithstanding any other regulation to the contrary, if a licensee offers a qualified prize option to a patron who is awarded a qualified prize, the licensee shall provide the option to the patron in writing within five days after the conclusion of the validation period. Such written option shall explain the method used to compute the single cash payment, including the discount rate as of the date of calculation, and shall state that the patron is under no obligation to accept the offer of a single cash payment and may nevertheless elect to receive periodic payments for the qualified prize.

(Adopted: 2/91. Amended: 11/18/99.)

9. The licensee shall maintain the following amounts, as applicable, related to each gaming or promotional activity that uses periodic payments in calculating its minimum bankroll requirement for the purpose of complying with Regulation 6.150:

(Adopted: 2/91. Amended: 11/18/99.)

11. At least annually, the licensee shall verify that the independent financial institution and brokerage firm being used to guarantee or remit periodic payments to patrons or to hold approved funding sources related thereto continues to meet the applicable qualifications required by Regulation 5.115(2). In the event that such entities are found to no longer meet the defined requirements, the licensee shall immediately notify the chairman of the change in status and within 30 days provide a written plan to comply with these requirements.

(Adopted: 2/91. Amended: 11/18/99.)
