

PROPOSED AMENDMENT TO REGULATION 4.080

PURPOSE: To adjust the date by which an act or involvement approved by the commission must occur or begin to coincide with a commission meeting; and to take such additional action as may be necessary and proper to effectuate these stated purposes.

REGULATION 4 APPLICATIONS: PROCEDURE (ADOPTED April 19, 2018)

New

~~[Deleted]~~

4.080 Time applicable to commission action.

1. If an act or involvement approved by the commission has not occurred or begun on or before the date of the regularly scheduled commission meeting in the sixth month ~~[within 6 months]~~ after the commission votes on the application, the commission's action is void, and a new application must be made.
2. No Change.
3. No Change.

Effective upon adoption.
