Dear Becky Harris, Chairwoman
Nevada Gaming Control Board

We commend the Nevada Gaming Control Board on their decision to investigate actions that need to be taken to alleviate harassment, sexual as well as other forms of harassment, in the gaming industry. We ask that this action be taken as soon as possible to have new policies in place to reduce this enormous problem. It is vital to take action now.

The NGCB's actions will be a model for other industries and society in general for a better future for all.

Thank you again for responding to this problem.

Sincerely,

Pamela Johansen
COO
The Variegate Group
