8A.030 Application for approval to enforce security interest; investigation; recommendation of the Board.

1. Except as otherwise specifically provided herein, a secured party shall apply for approval to enforce a security interest in personal property gaming collateral using such forms as the Chair may prescribe. The application shall include a complete schedule and description of the gaming collateral that is the subject of

the security interest, copies of the security agreement and documents evidencing the obligation secured, a statement by the secured party identifying the act of default by the debtor that is the basis for seeking to enforce the security interest, including a copy of any notice of default sent to the debtor, and any other information requested by the Board or Commission.

2. The Board shall investigate the facts and circumstances related to the application for approval to enforce a security interest. The investigation by the Board may include:

(a) A review of all pertinent documents;

(b) An analysis of the impact upon the debtor of approving the enforcement of the security interest, including an evaluation of the effect of enforcement of the security interest upon the continued operation of the licensed gaming establishment;

(c) A review of the transaction to determine whether the security interest was given in violation of Regulation 8.050, or in an attempt to evade the requirements of the Nevada Revised Statutes and regulations adopted by the Commission regarding the sale, assignment, transfer or other disposition of an interest in a gaming operation or in the type of property subject to this regulation; and

(d) Any other data or information the Board deems relevant to the application.

3. Where this regulation requires the affirmative approval of the Commission prior to the enforcement of the security interest, the Board shall submit a recommendation to the Commission after the Board completes its investigation.

(Adopted: 1/91. Amended: 5/92.)

8A.040 Enforcement of a security interest in personal property gaming collateral.

1. The enforcement of a security interest in personal property gaming collateral requires the affirmative approval of the Commission. The Commission shall not approve the enforcement of such security interest if such enforcement will result in any person becoming subject to mandatory licensing, registration, or finding of suitability, unless all persons have been licensed, registered, or found suitable by the Commission, as applicable. The Commission may grant a temporary or permanent waiver of the requirement of prior licensing, registration, or finding of suitability, or may grant delayed licensing, registration, or finding of suitability, upon written request by the secured party and recommendation of the Board, if the Commission makes a written finding that such waiver or delayed licensing, registration, or finding of suitability is consistent with state policy set forth in the Act.

2. Where an operating license is surrendered pursuant to NRS 463B.080(1)(d), the Commission may, upon its own initiative or upon a request by the secured party, petition a district court for the appointment of a supervisor pursuant to NRS 463B and Regulation 17 to ensure the continuation of the gaming operation upon lapse of the license.

3. The Chair may permit the licensee or holding company to register or record the securities in its books or records in the name of the secured party pursuant to Regulation 8.040. The Chair may grant such permission only if the secured party has filed an application for approval to enforce a security interest in such securities. Such permission shall be conditioned upon and require that the secured party not exercise any voting rights or other control over the licensee or holding company, and that all dividends payable or other beneficial interest in the securities be held in escrow, pending final action on the application to enforce the security interest.
