Re: 2020-01R - REGULATION 5 REGARDING GAMING EMPLOYEES, ARMED SECURITY PERSONNEL, INDEPENDENT HOSTS

Dear Ms. Bell:

I write today in support of the 2020-01R, the proposed amendments to Regulation 5 regarding employee registrations, armed security personnel and independent hosts and respectfully ask on behalf of our members that the amendments be approved.

The amendments being presented to the Nevada Gaming Control Board reflect a collaborative effort between Member Terry Johnson and the industry to streamline existing regulations and effectuate SB 72 from the 2019 legislative session. We have appreciated the leadership of Member Johnson and his work with the industry on this effort to simplify aspects of the employee registration process. We believe these changes will expedite registration investigations for armed security personnel and continue to ensure the safety of resort industry employees and guests.

Our members recognize these are challenging times, and we continue to appreciate the ability to work closely with the Nevada Gaming Control Board.

Thank you for your consideration on this matter. Please contact me with any questions.

Sincerely,

Virginia Valentine
President of the Nevada Resort Association

Re: 2020-05R: REGULATION 9 AMENDMENTS

Dear Ms. Bell:

On behalf of our members, I write today in support of the 2020-05R, the proposed amendments to Regulation 9 regarding temporary closures and respectfully ask that the amendments be approved.

As the Gaming Control Board is keenly aware, Nevada's gaming industry is doing everything it can to safely resume or expand operations and bring employees back to work to help expedite the revival of our state's economy and generate much needed tax revenue. Given the unpredictable nature of this public health emergency, flexibility is critical as licensees evaluate how to resume operations in an uncertain environment.

The proposed amendments to Regulation 9 provide the industry with necessary flexibility and relief during an emergency declaration for the overall health of Nevada's largest industry. No licensee should be in jeopardy of losing their licenses as a result of communitywide circumstances beyond their control.

We would like to recognize and thank Member Phil Katsaros for spearheading this effort and working with the industry to identify impactful measures that will help accelerate Nevada's' recovery efforts while safeguarding the long-term viability of the industry.

Thank you for your consideration on this matter. Please contact me with any questions.

Sincerely,

Virginia Valentine
President of the Nevada Resort Association
