

## PROPOSED AMENDMENTS TO REGULATION 4.030

**PURPOSE:** To clarify that a nonrestricted license refers to gaming licenses; to reflect that operators of inter-casino linked systems are no longer considered gaming licensees due to statutory change; and to take such additional action as may be necessary and proper to effectuate these stated purposes.

### REGULATION 4 APPLICATIONS: PROCEDURE

#### **4.030 Classification of licenses, and other Commission actions for which applications must be made.**

##### 1. Gaming licenses.

(a) Restricted license. One which permits the operation of slot machines only in an establishment wherein the operation of machines is incidental to the primary business of the licensee. Fifteen (15) machines is the maximum number of machines which may be operated under this type of license. Any restricted licensee at more than two locations may be required to apply for and obtain an operator of a slot machine route license.

(b) Nonrestricted license. Any gaming license other than a restricted license. The term includes, without limitation:

(1) Operator of a mobile gaming system. A nonrestricted license which authorizes the holder under any agreement whereby consideration is paid or payable for the right to place a mobile gaming system, to engage in the business of placing and operating a mobile gaming system within a licensed gaming establishment and who is authorized to share in the revenue from the mobile gaming system without having been individually licensed to conduct gaming at the establishment.

(2) Operator of a slot machine route license. A nonrestricted license which authorizes the holder to place slot machines in a licensed location and share in the profits therefrom without being on the license issued for the location. An operator's license will normally be issued only to an applicant already licensed at three locations or having firm commitments to place machines at three licensed locations upon licensing.

~~[(3) Operator of an inter-casino linked system license. A nonrestricted license which authorizes the holder to place and operate an inter-casino linked system on the premises of two or more licensed locations, and to share in the revenue therefrom, without being on the licenses issued for the locations. Licensure is not required if a gaming licensee is operating an inter-casino linked system on the premises of an affiliated licensee, or if an operator of a slot machine route is operating an inter-casino linked system consisting of slot machines only.]~~

2. Manufacturer's license. One which authorizes the holder to operate, carry on, conduct, or maintain any form of manufacture as set forth in NRS 463.01715 and in

accordance with Regulation 14. *This license may include approval from the Board to operate an inter-casino linked system.*
