

## Adopted Amendments to Regulation 6.010

Purpose of Amendments: To adjust the annual gross gaming revenue thresholds applicable to the definitions of Group I and II licensees. Changes to the Group I/Group II threshold applicable to standalone race and sports books correspond to the percentage increase in the "Consumer Price Index" published by the United States Department of Labor for the preceding year. The Group I threshold for licensees other than standalone race and sports books is being increased to \$5 million.
