The computation of Casino Entertainment Tax (CET) has been modified starting with fiscal year 1995 to comply with the Governmental Accounting Standards Board (GASB) Statement Number 22. This statement requires that CET tax revenue collected in July but generated based on June business activity be recognized in June. (i.e. the previous fiscal year) When interpreting the 'net change' statistic for fiscal year 1996, this accounting change must be considered as it produced a thirteen (13) month year in fiscal year 1995.
