GAMING REVENUE REPORT

INTRODUCTION & INFORMATION

This report is a summary of information provided by nonrestricted gaming licensees who file Monthly Gross Revenue Statistical Reports (Form NGC-31). Results are provided in a current one-month, three month, and twelve month format. Gaming results from restricted licensees are not included in this report. The data provided is subject to change due to late filings of reports, audits, and other adjustments occurring subsequent to the release date of this publication.

All locations included in revenue range groups are based on the cumulative gaming win reported in the current twelve months covered by this report. Gaming win for locations that have changed ownership during the current twelve months is combined in order to establish proper placement for such locations in appropriate revenue range groups.

Locations newly licensed during the current twelve months are included in revenue range groups based on each location's gaming win, beginning with the month in which gaming operations commenced and based on cumulative totals thereafter.

Locations included in revenue range groups in the current periods are also included in the comparative year-ago groups regardless of the revenue produced in the year-ago periods.

The minimum number of locations in any revenue range or area group is four. Additionally, if there are fewer than three locations reporting revenue for a specific gaming unit, the information for that gaming unit will be included in the "other" revenue categories.

The "Win Percent" for games provides a ratio which has been adjusted for effects of credit play. The "Win Percent" for slot devices provides a ratio which represents the reported win amount divided by the total dollar amount played by patrons.

"Taxable" gaming revenue data is provided in an appendix summary located at the end of this report (page A-01).

Questions concerning the content of this report should be directed to the Nevada State Gaming Control Board, Tax and License Division, Economic Research Section (775) 684-7770.
