1. **CONSIDERATION OF:** Proposed revision of the **STATE GAMING CONTROL BOARD PERSONNEL MANUAL** pursuant to NRS 463.080(6) and NGC Regulation 2.110(4). The State Gaming Control Board Personnel Manual ("Manual") is a comprehensive plan governing employment and retention or discharge of employees to assure that termination or other adverse action is not taken against such employees except for cause, and provisions for hearings in personnel matters and for review of adverse actions taken in such matters. The Manual governs all State Gaming Control Board ("Board") and Nevada Gaming Commission ("Commission") unclassified employees in all employment and personnel administration matters. Additionally, the Manual governs Board classified employees in employment termination matters and specific conduct, prohibitions, conditions, and particular expectations necessitated by the nature of the duties and responsibilities of the Board and Commission.

Digest of Revisions:

**Subsections 5, 6, and 7 of Section I(B)** add that the Manual takes precedence over all directives and division procedures; the Board Chairman is responsible for the interpretation of the Manual, and has the discretion to set policy concerning any employment and personnel administration matters upon which the Manual is silent; the Personnel Office is responsible for the administration of the Manual under the direction of the Chief of Administration; and the provisions established and set forth concerning termination also apply to the Board's classified employees.

**Subsections 1 and 2 of Section I(C)** acknowledges the necessity for the Board to comply with all pertinent Federal and State provisions governing employment.

**Subsections 4 - 9 of Section III(E)** acknowledges that some employees of the Board are "non-exempt employees" whereas others are "exempt employees" under the terms of the Federal Labor Standards Act of 1938, and provides differences regarding compensation for overtime.

**Section III(F)** clarifies that longevity pay amounts are set by the Legislature and are implemented accordingly.

**Subsection 2 of Section III(G)** provides that employees who qualify for shift differential payment will be compensated for shift differential when on sick and annual leave, holidays, and other paid leave.

**Sections III(H)** provides that the Board will adopt a plan to authorize and make credential payments to qualifying employees in the fiscal years for which a Legislative appropriation has been made to fund such.

**Subsections 4 of Section IV(D)** adds that in addition to the hiring Division and the Personnel Office, the Board Chairman or his designee must also approve substitution of related experience, education, or other qualifications for the specific minimum qualification requirements for a position.

**Subsection 1(d) of Section IV(E)** adds that in addition to the Personnel Office, the Board Chairman must also approve filling a vacant position by involuntary demotion upon the recommendation of the pertinent Division Chief.

**Subsection 1(e) of Section IV(E)** adds that a recommendation of a Division Chief to fill a vacant position by temporary appointment of an individual to a position not to exceed six (6) months must be approved by the Chief of the Administration Division in addition to the Board Chairman.

**Subsection 1(f) of Section IV(E)** provides the circumstances under which a former employee who terminated their employment with the Board may be reinstated, and qualifies that the employee will be required to serve a new probationary period.

**Subsection 5 of Section IV(E)** adds that candidates for employment with the Board must pass a pre-employment drug test as a condition of employment with the Board, and that certain Divisions and/or position classifications may also require a medical examination and physical fitness test following the offer of employment to a candidate.

**Subsection 6 of Section IV(E)** adds that the candidates for employment in positions that require carrying a firearm will also be required to pass a lie detector test and take a psychological examination.

**Subsection 2 of Section IV(F)** further clarifies what an examination for employment with the Board may comprise and adds that the examination contents and procedures will be determined and/or developed by the Personnel Office in cooperation with the hiring Division.

**REGULATION AGENDA  
MAY 2010

---

**Subsection 3 of Section IV(F)** adds that scoring sheets from employment examinations will be maintained by the hiring Division for three years.
