FOR IMMEDIATE RELEASE

The Nevada Gaming Control Board (NGCB) became aware earlier this week that its public-facing website had been compromised. NGCB technology personnel initiated immediate steps to protect the website by taking it offline. The NGCB is working with experts to thoroughly assess the situation. While working to restore the full website, the NGCB is preparing to publish a temporary website for those seeking access to NGCB information and relevant weblinks.

Thank you for your patience while the full website is restored.
