name is Tony Bigcharles, theres no reason live poker cant be 6 max tables like in a few other states such as florida, oklahoma and texas. no ones getting sick here. 4 handed games are unplayable. could also use bigger sized tables so 6 people are still far apart.

Subject: Employee and Gambler Covid Thermal Screening

Dear Gaming Board,

I wanted to make a public comment.

I have seen some of the Casino guidelines as they are being published.

We have been talking to many agencies, airports, businesses, etc, and clarity for Covid Screening seems to be an issue. Generally it would seem that all foot traffic within a facility would be screened consistently in order to protect everyone equally, yet there seems to be a distinction in some of the guidelines that only employees operating within a facility should or would be subjected to thermal screening for potential infection. This seems pretty inconsistent, and many businesses are intending to rely upon the guidelines as they are published. There are solutions that are able to screen everyone equally without being intrusive. Perhaps there is someone that can help me with further clarification. Shouldn't the patrons be tested too?

Why aren't those technologies being deployed throughout Vegas?

Best regards,

Dan Doud

To Whom It May Concern;

We would like to be able to offer our BingoMeNow!! reservations system to bingo operations in the state of Nevada. We would like to confirm that a reservations system is not subject to regulatory approval. The app is not currently active for reservations in Nevada although we have included some informational materials about Some of the bingo locations.

No gambling happens on BingoMeNow!!. The primary functionality allows players to reserve their seats and make contactless payments to confirm their reservations. There are other marketing related functions that are optional.

I am attaching a brochure that has met with approval of bingo operators in other states, especially as we help them reopen with better social distancing.

Please let us know your thoughts.

Thank you in advance.

Best regards,

Steve

Re: 2020-03R: CONSIDERATION AND RECOMMENDATION OF PROPOSED AMENDMENTS TO NEVADA GAMING COMMISSION REGULATIONS 1 AND 14 REGARDING, WITHOUT LIMITATION, ELECTRONIC TRANSFERS OF MONEY TO A GAME OR GAMING DEVICE.

Dear Chairwoman Morgan and Members Johnson and Katsaros:

Please accept this letter as the written comments of Automated Cashless Systems, Inc. ("ACS") on the proposed amendments to NGC Regulation 14 that are to be considered by the Board as part of the above-referenced item at its meeting on June 10, 2020.

Specifically, ACS is seeking confirmation that, notwithstanding the absence of any grandfathering language in the proposed amendments, the June 2019 approval by the Chair of its cashless wagering system that allows for the electronic transfer of money indirectly to a table game is not intended to be superseded by these amendments, and no additional approval of the Chair under new Regulation 14.265 will be required for licensees to continue to use the ACS PlayOn system as it is currently configured.

Thank you for your consideration.

Respectfully,

Marc H. Rubinstein, Esq.
