SUBJECT: FINAL REVIEW AND WORKSHOP FOR PROPOSED CHANGES TO THE TECHNICAL STANDARDS FOR GAMING DEVICES AND ON-LINE SLOT SYSTEMS

The State Gaming Control Board drafted a revised version of the Technical Standards for Gaming Devices and On-Line Slot Systems based on industry comments received pursuant to the industry notice of March 17, 2004.

To allow a final opportunity for the industry to provide comments before the latest draft is submitted to the full Board and Commission for approval, the Board will be conducting an industry workshop in the Las Vegas Board Room on May 7, 2004, at 9:00 a.m.

A copy of the latest draft will be available on the Board's website at <http://gaming.nv.gov>. Questions regarding this workshop should be referred to Marc McDermott in Las Vegas at (702) 486-2043.

Sincerely,

Scott Scherer
