- **NGC REGULATION 6.010, "DEFINITIONS."**

Purpose of Amendments: To adjust the annual gross gaming revenue thresholds applicable to the definitions of Group I and II licensees. Changes to the Group I/Group II threshold applicable to standalone race and sports books correspond to the percentage increase in the "Consumer Price Index" published by the United States Department of Labor for the preceding year. The Group I threshold for licensees other than standalone race and sports books is being increased to \$5 million.

The financial statement thresholds for other licensees are being revised to \$5 million for reviewed statements and \$10 million for audited statements.

The proposed amendments will be considered by the Commission in accordance with the provisions of NRS 463.145 which allows that on the date and at the time and place designated, any interested person, or their duly authorized representative, or both, shall be afforded the opportunity to present statements, arguments or contentions in writing, with or without the opportunity to present the same orally.
