SUBJECT: LAS VEGAS TECHNOLOGY DIVISION LAB RELOCATION

The State Gaming Control Board's Technology Division Lab, which is responsible for the review and approval of gaming devices and associated equipment, is relocating to a new facility in the Las Vegas area. The new office is located at 750 Pilot Road, Suite H, Las Vegas, Nevada 89119.

During the weeks of April 16th and April 23rd the Lab will be transitioning into the new facility and will continue to operate. The Lab's phone numbers will not change. Every effort has been made to minimize phone service interruptions; however, there may be inadvertent downtime during the transition. If you attempt to contact Lab staff and your call is not answered by staff or by voicemail please contact the main number in the Las Vegas office for assistance at (702) 486-2000.

All correspondence to the Lab as of May 1, 2007, should be sent to the new address.

Thank you in advance for your patience during this transition and please do not hesitate to contact me at (702) 205-2078 or Technology Division Lab Manager Travis Foley at (702) 205-9552 if you have any questions or concerns.

Sincerely,

Joe Bertolone, Chief
Technology Division
