SUBJECT: PROPOSED AMENDMENTS TO THE TECHNICAL STANDARD FOR GAMING DEVICES RELATING TO THE REPEAL OF REGULATION 6A

Following submission of industry comments regarding proposed amendments to the Technical Standards for Gaming Devices to remove standards related to Regulation 6A, the State Gaming Control Board has finalized the proposed amendments. Attached to this letter is a copy of the proposed amendments dated May 21, 2007 together with a copy of Regulation 14.050 that includes a description of the technical standard adoption process.

In accordance with Regulation 14.050(2), and prior to official adoption, the proposed technical standards are being provided for review and final written comments. The proposed amendments are also available on the Board's website at <http://gaming.nv.gov>. Written comments must be submitted to the Board on or before July 9, 2007. Comments may be submitted via e-mail to jbertolone@gcb.nv.gov or mailed to:

State Gaming Control Board
Technology Division
750 Pilot Road, Suite H
