SUBJECT: NEW GAMING DEVICE SUBMISSION PACKAGE

The Gaming Control Board Technology Division has published an updated submission package that outlines the requirements for licensed manufacturers who wish to submit a new gaming device for approval.

The submission package will contain a submission checklist, an overview of the submission process, frequently asked questions, and a guide on writing a compliance report. The Technology Division recommends that licensed manufacturers use this package for all new gaming device submissions.

If you have any questions regarding this information please contact Technology Division Lab Manager Jim Barbee at (702) 486-2240.

Sincerely,

Travis Foley, Chief
Technology Division
