NOTICE

Notice #	2011-84	Issuing Division: Investigations
----------	---------	----------------------------------

DATE: November 22, 2011
TO: All Gaming Licensees and Interested Persons
FROM: Mark A. Lipparelli, Chairman
SUBJECT: Electronic Fingerprint Submission

Effective immediately the Investigations Division has implemented procedures to allow for the electronic submission of fingerprints in conjunction with applications for a gaming license and related approval(s). The electronic submission of fingerprints will replace the need for the physical ink "hard cards."

Complete the "Fingerprint Receipt" (Form 28); take it and the attached instruction memo to the fingerprinting facility. Once the prints have been taken have the printing facility sign the Form 28 as an acknowledgement the prints were taken. You will submit this receipt with your application package.

These forms and a list of fingerprinting locations can be found on the Gaming Control Board website at the following link:

http://www.gaming.nv.gov/agency_forms.htm#inv

Any questions pertaining to the submission of electronic fingerprints in connection with a license application should be directed to:
