NOTICE TO LICENSEES

Notice # 2018-115

Issuing Division: Technology

DATE: December 28, 2018

TO: All Licensees and Interested Persons

FROM: Becky Harris, Chairwoman

SUBJECT: RESCISSION OF NGC REGULATION 14.290 AND AMENDMENTS TO NGC REGULATION 14.260 REGARDING ASSOCIATED EQUIPMENT

On December 20, 2018, the Nevada Gaming Commission approved the rescission of NGC Regulation 14.290 and amendments to NGC Regulation 14.260 regarding associated equipment. Effective January, 1, 2019, a licensee will no longer be required to receive written approval of the Chair prior to the installation of associated equipment.

In accordance with NGC Regulation 14.260, a licensee may only install approved associated equipment. A website has been created to assist a licensee in determining the approval status of both gaming devices and associated equipment. The NGCB Approval Status Report website can be found at <https://gaming.nv.gov/index.aspx?page=332>.

A licensee should verify the associated equipment's approval status and conditions prior to installation and print the approval status report for their records. If the approval has installation conditions, the licensee must ensure the equipment is installed, configured, and operated in a manner consistent with the approval and installation conditions.

Please contact Technology Division Lab Manager Jeremy Eberwein at jeberwein@gcb.nv.gov with any questions.
