DATE: September 17, 2020

TO: All Gaming Licensees and Other Interested Persons

FROM: Sandra Douglass Morgan, Chairwoman

SUBJECT: BAR REOPENING IN CLARK, ELKO, WASHOE, and NYE COUNTIES

The COVID-19 Mitigation and Management Task Force voted to allow bars, taverns, breweries, and distilleries to reopen in Clark County and Elko County no sooner than 11:59pm on Sunday, September 20, 2020, in Washoe County no sooner than 11:59pm on Wednesday, September 16, 2020, and in Nye County no sooner than 11:59pm on Thursday, September 10, 2020, under the provisions of [sections 25 and 26 of Emergency Directive 021](#). This includes the allowance of bartop gaming machines.

Upon reopening, all restricted licensees must continue to comply with all of the provisions of the [Board's Health and Safety Policies for Restricted Licensees](#). Bars within nonrestricted locations are able to reopen and expected to comply with the plans that each licensee submitted to the Board pursuant to the [Board's Health and Safety Policies for Nonrestricted Licensees](#). Nonrestricted locations are not required to resubmit a plan if there are no changes to the plan currently on file with the Board.

All gaming establishments must continue to:

- Ensure proper social distancing between gaming machines at least 6 feet apart or complying with an alternate plan approved by the Board;
- Ensure that all employees, patrons, and guests properly utilize face coverings; and
- Comply with social distancing guidelines and not allow patrons to congregate.

Licensees are encouraged to review the [Governor's Bar Guidance](#) (revised September 17, 2020) and the [Nevada Health Response website](#) for all Statewide Standards and Operating Rules.
