NOTICE TO LICENSEES

Notice # 2021-31

Issuing Division: Administration

DATE: April 14, 2021
TO: All Gaming Licensees and Other Interested Persons
FROM: J. Brin Gibson, Chairman
SUBJECT: Updates to Health and Safety Policies

This Industry Notice amends the "Health and Safety Policies for the Resumption of Gaming Operations: Nonrestricted Licensees," the "Health and Safety Policies for the Resumption of Gaming Operations: Restricted Licensees," and supersedes Industry Notices #2020-25, #2020-30, #2020-43, #2020-47, #2020-90, #2020-108, and #2021-13 for purposes of those Policies.

To meet its obligation under section 12 of Governor Sisolak's [Emergency Directive 041](#), the Board reissues the following:

[Health and Safety Policies for the Resumption of Gaming Operations: Nonrestricted Licensees](#)

[Health and Safety Policies for the Resumption of Gaming Operations: Restricted Licensees](#)

UPDATES

In both policies, the cleaning and disinfection protocols that have been in place since June 4, 2020 have been amended to reflect updated guidance from the Centers for Disease Control and Prevention, which can be found [here](#). It is not necessary for a nonrestricted licensee to submit an update to its reopening plan required by the Health and Safety Policy for nonrestricted licensees.

CONCLUSION

In conjunction with state and local health officials, the Board will continue to ensure that best practices are used in the mitigation of COVID-19, and its effect on the resumption of gaming and other licensee operations, and will issue further notices as appropriate.
