## NOTICE TO LICENSEES

---

Notice # 2022-11

Issuing Division: Administration

**DATE:** February 10, 2022

**TO:** All Gaming Licensees and Interested Persons

**FROM:** J. Brin Gibson, Chair

**SUBJECT:** Emergency Directive 052

---

Pursuant to Governor Sisolak's [Emergency Directive 052](#), effective immediately, individuals are no longer required to wear a mask in public indoor settings in licensed gaming establishments, unless a local jurisdiction still imposes such a requirement. If a licensee is subject to a local jurisdiction's requirement relating to masks, the Board expects full compliance from the licensee.

The Board reminds its licensees, gaming employees, and the general public that a licensee in violation of any federal, state or local law or regulation is a violation of Nevada Gaming Commission Regulation 5.011, and that the Board may seek disciplinary action by the Nevada Gaming Commission for any such violation.

In conjunction with state and local health officials, the Nevada Gaming Control Board will continue to ensure that best practices are used in the mitigation of COVID-19, and its effect on licensee operations, and will issue further notices as appropriate.
