## NOTICE TO LICENSEES

Notice #2024-28

Issuing Division: Enforcement Division

**DATE:** April 9, 2024

**TO:** ALL LICENSEES AND INTERESTED PERSONS

**FROM:** ENFORCEMENT DIVISION

**SUBJECT:** NEW GAMING EMPLOYEE REGISTRATION SYSTEM

---

The Nevada Gaming Control Board's Enforcement Division announces the following changes. These changes relate to the registration of gaming employees, a requirement under NGC Regulation 5.

The Board developed a new online platform to register gaming employees within the GCB Apps portal. Beginning May 30, 2024, at 11:59 PM, the Enforcement Division will no longer accept gaming employee registration through <https://gcbger.nv.gov/regApp/>. Beginning June 3, 2024, at 8:00 AM, all gaming employee registration applications will be completed through the GCB Apps portal. During this transition, any applications pending completion will be migrated over to the new system.

For current, Location Administrators, the new gaming employee registration platform will be accessible in Gaming Employee Registration under Forms and Applications within the GCB Apps portal.

For locations that have not created an account within the GCB Apps portal, please follow the link to the online system on our website <https://gaming.nv.gov/>. Click the *Tax Forms* link and complete the *Location Administrator Request Form*. The Location Administrator must be a licensed or registered gaming employee, and there may not be more than one Administrator per location. The Administrator will have the ability to grant access to all subordinate user accounts as needed.

When you are registered, you will receive a confirmation email with login credentials that provide access to the system.
