NOTICE TO LICENSEES

Notice #2025-43

Issuing Division: Enforcement Division

DATE: June 25, 2025

TO: ALL NONRESTRICTED LICENSEES AND INTERESTED PARTIES

FROM: THE GAMING CONTROL BOARD AND THE LAS VEGAS METROPOLITAN POLICE DEPARTMENT

RE: PARTY POOLS, DAY CLUBS, ULTRA LOUNGES, NIGHTCLUBS AND SIMILAR VENUES

In anticipation of a new pool season, the Nevada Gaming Control Board (Board) and the Las Vegas Metropolitan Police Department (LVMPD) would like to advise licensees of potential concerns regarding activities at nightclubs, party pools, European pools, day clubs, and similar event venues. We believe it is necessary and appropriate to renew our admonitions and remind licensees of their responsibilities regarding these venues.

The following are potential areas of concern:

- Drug Use/Distribution
- Sexual Assault
- Violence
- Theft
- Underage Patrons
- Prostitution
- Criminal Activity related to Entertainers/Artists/Performers (and their associates)
- Security Screening Procedures

Regardless of the association or contractual agreement between the licensee, a lessee, or a third-party operator/manager, the licensee remains responsible for ensuring operations conducted on its premises comply with all federal, state, and local laws and Nevada State gaming regulations. The Board continues its focus on this critical matter, and licensees will be held accountable for breaches of this responsibility.

Since the inception of gaming laws and regulations to address these areas of concern within the industry, licensees have taken numerous proactive steps to prevent these incidents/situations. We commend the development of these world-class entertainment venues, but the incidents described above reflect poorly on the venue, the licensee, the gaming industry, and the State of Nevada. Involved law enforcement entities are taking necessary measures to deal with illegal acts or unsuitable business

practices. However, persistent problems at any of these venues will be considered an unsuitable method of operation by the Board and may result in disciplinary actions.

The LVMPD and the Board participate in and offer training in various areas relative to this Notice. Questions or requests regarding these issues can be made directly to the following individuals:

Kristi S. Torgerson
Enforcement Division Chief
Nevada Gaming Control Board

Kevin McMahon
LVMPD Sheriff

Our two agencies are ready to work with you to ensure compliance and the safety of all visitors and guests to these venues and the State. Please be proactive and take the necessary and appropriate steps to ensure the well-being of your patrons. Together, let's continue to protect Nevada's reputation as a safe and enjoyable top tourist destination and prevent avoidable incidents that could jeopardize that reputation.
