- (a) Include a completed application for registration form as prescribed by the chairman;

- required by this section, the board and commission shall place the matter on their next available agendas for consideration of whether the member should be licensed.
- 6. If a member of a limited-liability company licensee is a holding company and is required to register with the board under this section, the member is not required to register with the commission pursuant to NRS 463.585 unless the chairman requires the member to apply for licensure.
- 7. Notwithstanding NRS 463.5733 and the regulations governing issuance and transfers of interest, an issuance or transfer of interest to a member required to register with the board under this section does not require pre-approval from the commission, as specified by this subsection, for the issuance or transfer of interest.
- (a) For transfers of interest from a member who owns more than a five percent interest prior to the proposed transfer to a member required to register with the board under this section and for issuance or transfer of interest by a limited-liability corporation to a member required to register with the board under this section:

- (2) Upon receipt of such report, the proposed issuance or transfer shall be placed on the next available board and commission agendas for the purposes of notifying the public of such proposed issuances and transfers and to give each board and commission member the opportunity to object to the proposed issuance or transfer taking place without pre-approval from the commission.
- (3) If any board member objects to the proposed issuance or transfer during the board meeting for which the issuance or transfer was placed on the agenda or any commission member objects to the proposed issuance or transfer during the commission meeting for which the issuance or transfer was placed on the agenda for any cause deemed reasonable by the board or commission member, the proposed issuance or transfer shall not take place unless the commission approves such proposed issuance or transfer prior to the proposed issuance or transfer occurring and upon application to and recommendation by the board pursuant to NRS 463.5733 and the regulations governing issuances and transfers of interest.
- (4) Until the objection opportunities set forth in this subsection have passed without any objections, all parties to the proposed issuance or transfer shall follow Regulation 8.050.
- (5) If no objection is made by a board or commission member as set out in this subsection after a proposed issuance or transfer is placed on the board and commission agendas, the proposed issuance or transfer of interest to a member required to register with the board under this section may occur within six months of the commission meeting for which the proposed issuance or transfer was placed on the agenda. If the proposed issuance or transfer does not occur within six months of the commission meeting for which the proposed issuance or

- transfer was placed on the agenda, the issuance or transfer shall not occur without again following the provisions of this subsection after the expiration of the six months. The issuance or transfer must be made as agendaed. All board and commission members must have the chance to object, as set out above, to any changes to the proposed issuance or transfer before the issuance or transfer may take place.
- (b) For transfers of interest from a member who owns five percent or less interest prior to the proposed transfer to a member required to register with the board under this section:
- (1) Prior to such transfer, the transferor shall report the terms of the proposed transfer to the board on forms designated by the board chairman. Such report shall include copies of all documents relevant to the proposed transfer and valid electronic mail addresses for both the transferor and transferee.
- (2) Upon receipt of such report, the board chairman may object, for any reason the chairman deems reasonable, to such transfer occurring without pre-approval from the commission.
- (I) If the chairman does not object to the transfer within 60 days of the chairman's receipt of such report, the transfer may occur without pre-approval from the commission.
- (II) The chairman may extend the objection period if the chairman, in his sole discretion, finds such extension is necessary. Notice of such extension shall be sent to the electronic mail addresses provided in the report concerning the proposed transfer prior to the expiration of the original 60 day objection period.
- (III) The chairman may shorten the objection period by indicating he has no objection to the transfer in writing prior to the expiration of the 60 day objection period.
- (IV) The transfer must be made as described in the report. If any changes are made to the proposed transfer or the proposed transfer does not occur within six months of the expiration of the objection period, the board chairman must have a new opportunity to object, as set out above, prior to the proposed transfer occurring.
- (3) If the board chairman objects within 60 days, or longer period as extended by the chairman, of the chairman's receipt of such report, the proposed transfer shall not take place unless the commission approves such proposed transfer prior to the proposed transfer occurring and upon application to and recommendation by the board pursuant to NRS 463.5733 and the regulations governing transfers of interest. Notice of such objection shall be sent to the electronic mail addresses provided in the report concerning the proposed transfer.
- (4) Until the objection opportunity set forth in this subsection has passed without any objection, all parties to the proposed transfer shall follow Regulation 8.050.
- (5) The public shall be notified of proposed transfers subject to objection by the board chairman through an informational item placed on the next regular board and commission agendas subsequent to the expiration of the chairman's

- <u>objection period.</u> Such notice shall include the details of the transfer and whether or not the chairman objected to the proposed transfer.
- (c) Notwithstanding any other provisions of this subsection, if the board chairman requires the member to apply for licensure pursuant to sub-section 4 of this section, the member shall also apply for approval of any transfers of interest to the member which were previously exempted from pre-approval by this subsection.
- 8. In enacting this regulation section, the commission finds that waiver of NRS 463.585 and NRS 463.573 pursuant to NRS 463.489 and NRS 463.573 is appropriate to the extent required by this section. In making these waivers, the commission finds such waivers are consistent with the state policy set forth in NRS 463.0129, NRS 463.489, and NRS 463.573 because such waivers are for purposes including but not limited to fostering the growth of the gaming industry which is vitally important to the economy of the State and the general welfare of its inhabitants and broadening the opportunity for investment in gaming. The commission further finds such waivers do not diminish the board's and commission's roles in strictly regulating gaming and effectively controlling the conduct of gaming by business organizations because the board and commission still require, at a minimum, registration with the board of all persons involved with gaming and may call such persons subject to registration with the board forward for licensure, registration with the commission, or findings of suitability.
- 9. Upon the chairman requiring a member who is required to be registered by this section to apply for licensure, the member does not have any right to the granting of the application. Any license hereunder is a revocable privilege, and no holder acquires any vested right therein or thereunder. Judicial review is not available for decisions of the board and commission made or entered under the provisions of this section.

- 1. Each manager of a limited-liability company holding company must be licensed. - (2) Upon receipt of such report, the proposed issuance or transfer shall be placed on the next available board and commission agendas for the purposes of notifying the public of such proposed issuances and transfers and to give each board and commission member the opportunity to object to the proposed issuance or transfer taking place without pre-approval from the commission.
- (3) If any board member objects to the proposed issuance or transfer during the board meeting for which the issuance or transfer was placed on the agenda or any commission member objects to the proposed issuance or transfer during the commission meeting for which the issuance or transfer was placed on the agenda for any cause deemed reasonable by the board or commission member, the proposed issuance or transfer shall not take place unless the commission approves such proposed issuance or transfer prior to the proposed issuance or transfer occurring and upon application to and recommendation by the board pursuant to NRS 463.5733 and the regulations governing issuances and transfers of interest.
- (4) Until the objection opportunities set forth in this subsection have passed without any objections, all parties to the proposed issuance or transfer shall follow Regulation 8.050.

In making these waivers, the commission finds such waivers are consistent with the state policy set forth in NRS 463.0129, NRS 463.489, and NRS 463.573 because such waivers are for purposes including but not limited to fostering the growth of the gaming industry which is vitally important to the economy of the State and the general welfare of its inhabitants and broadening the opportunity for investment in gaming.
