

AMENDMENTS TO REGULATION 6.118(4)

Adopted: 9/21/2023

PURPOSE: To repeal NGC Regulation 6.118(4) regarding credit applications and credit instruments issued by licensees to patrons; and to take such additional action as may be necessary and proper to effectuate these stated purposes.

REGULATION 6

ACCOUNTING REGULATIONS

EFFECTIVE DATE: September 21, 2023

Matter in *blue italics* is new language and matter in [red and bracketed] is material to be omitted.

6.118 Mandatory disclosure provisions for credit applications and credit instruments; signature requirements.

1. [No change]
2. [No change]
3. [No change]

[4. Credit applications and credit instruments issued by licensees to patrons after the effective date of this section must contain the required wording. Such documentation issued by licensees to patrons before the effective date need not include the required disclosures.]

[5.] (4) For a patron's signature on a credit instrument, a licensee may accept either a handwritten signature or an electronic signature. A licensee that accepts an electronic signature on a credit instrument shall comply with the applicable provisions of NRS chapter 719.

Adoption Date: 9/21/2023
