

## **Bonus Spin on Blackjack Games Version 5**

### Rules of Play:

Bonus Spin Blackjack is an optional side bet for Blackjack games that use four, six, or eight standard 52-card decks. At the beginning of each game, each player must make a mandatory base wager and then may place the Bonus Spin Blackjack wager, which may be optional or required at the casino's discretion.

After all wagers are placed, the Bonus Spin Blackjack wagers are collected, and the cards are dealt according to standard procedure. If the player has a Blackjack in their first two cards, the Bonus Spin feature is triggered. In the Bonus Spin feature a wheel is spun and the player is awarded the value that the wheel lands on.
