

## Game Description

*Golden Talons* is a Baccarat game containing a set of optional bonus wagers using 6 or 8 standard, 52-card decks. The object of the *Golden Talons* is for the selected hand to be natural winner, part of a natural tie, or a non-natural winner by 4 or more points. The game can be played on standard commission or commission-free versions of Baccarat. The outcomes of the optional bonus wagers are not dependent on the base game's outcome.

Note that any combination of the available wagers may be offered:

- On any standard Baccarat game (non-branded).
- In conjunction with any other branded game/wagers, under an alternate name (e.g., *Rising Phoenix Baccarat with Golden Talons, etc.*)

## Rules of Play

1. To begin each round, players must place a main game wager and may also place any optional bonus and/or progressive wagers.
2. Once all wagers are placed, standard baccarat dealing procedures are followed. All main game wagers are reconciled in the following manner:
  - a. If the PLAYER hand wins,
    - i. The PLAYER wager wins and pays 1 to 1
    - ii. The BANKER and TIE wagers lose
  - b. If the BANKER hand wins,
    - i. The BANKER wager wins and pays 1 to 1, minus commission (if applicable)
    - ii. The PLAYER and TIE wagers lose
  - c. If the hands are tied,
    - i. The TIE wager wins and pays 8 to 1
    - ii. The PLAYER and BANKER wagers push
3. All optional wagers are reconciled based on their evaluation criteria.

## **Optional Bonus Wagers**

Operators choose which optional bonus wager(s) they will offer and set all minimum and maximum wagering limits.

### *Golden Talons*

A *Golden Talons* wager may be placed on the PLAYER hand, BANKER hand, or both. Players win if their selected hand is a natural winner or a non-natural winner by a specific number of points. Wins are paid according to the corresponding payable in Appendix A.

### *Harmony Progressive*

Players win if the PLAYER and BANKER hands tie and are paid based on the specific scenario as listed on the corresponding payable in Appendix B.
