

Hard All Day

Rules of Play

The difference between a standard Craps game side wagers and Hard All Day with Dealer Envy is that there are four different side wagers listed below, keeping in mind that a “hard” roll is if the two dice match in values and a “soft” roll is if the two dice differ:

Hard Way All Day – The Hard Way All Day side wager wins if all four of Hard 4, Hard 6, Hard 8, and Hard 10 are rolled prior to a 7. The side wager pays 165 for 1. The game can be configured to also include a Dealer Envy pay of \$5 for every \$1 bet.

Hi Lo Hardway – The Hi Lo Hardway side wager wins if both 2 and 12 are rolled prior to a 7. The side wager pays 22 for 1. The game can be configured to also include a Dealer Envy pay of \$1 for every \$1 bet.

All Day Partial – The All Day Partial side wager wins if three out of four of Hard 4, Hard 6, Hard 8, and Hard 10 are rolled prior to a 7. The side wager pays 24 for 1. The game can be configured to also include a Dealer Envy pay of \$1 for every \$1 bet.

Hard Way All Day Before Soft 4/6/8/10 – The Hard Way All Day Before Soft 4/6/8/10 side wager wins if all four of Hard 4, Hard 6, Hard 8, and Hard 10 are rolled prior to 7, Soft 4, Soft 6, Soft 8, or Soft 10. The side wager pays 5501 for 1. The game can be configured to also include a Dealer Envy pay of \$50 for every \$1 bet.
