

MARDI GRAS RULES OF PLAY

Mardi Gras is an optional side bet for the game of Blackjack which pays a bonus if the dealer's first two cards form a poker hand. Mardi Gras side bet can be utilized with one (1), (2), (4), (6) or (8) standard 52 card decks.

The rules are as follows:

- Play starts with the player placing a wager on the main game of Blackjack and an optional wager on the Mardi Gras side bet.
- The dealer deals one (1) card to each player with one (1) card to the house.
- The dealer then deals one (1) more card to each player face up or face down.
- Players then play out their hands in standard fashion.
- The dealer turns over the hole card and resolves all Mardi Gras side bets.
- Qualifying players will win the side bet if the dealer's two (2) cards form a poker hand and are paid according to the posted payable.
- If the dealer's initial two (2) cards do not form a poker hand, the player's Mardi Gras bet is a loss.
- The Mardi Gras side bet can be dealt face up, face down, or a combination of both.
- The facing of the cards does not impact the RTP or House Edge.
