

Live Baccarat Rules of Play

Game Description

Live Baccarat is a variation of Baccarat played with a live dealer and real Baccarat table, using 8 standard 52 card decks, played using standard Baccarat rules. The wagers are resolved after all cards have been dealt. The standard Baccarat rules are followed for the standard Baccarat wagers, Player, Banker, Tie, Player/Banker Perfect Pair.

Live Baccarat Wagers

The Tiger wager will win and pay 12 to 1 if the Banker hand wins with a score of 6 with two cards and will win and pay 20 to 1 if the Banker hand wins with a score of 6 with three cards. All other outcomes will result in the wager being lost.

The Small Tiger wager will win and pay 22 to 1 if the Banker hand wins with a score of 6 with two cards. All other outcomes will result in the wager being lost.

The Big Tiger wager will win and pay 50 to 1 if the Banker hand wins with a score of 6 with three cards. All other outcomes will result in the wager being lost.

The Tiger Pair wager will win and pay 100 to 1 if the first two cards dealt to the Player hand forms a pair and the first two cards dealt to the Banker hand forms a pair, and both pairs are of the same rank. If they both form pairs but they are not of the same rank, then the Tiger Pair wager will pay 20 to 1. If only one of the hands formed by the first two cards dealt forms a pair, then the Tiger Pair wager will pay 4 to 1. All other outcomes will result in the wager being lost.

The Egalite 0 wager will win if the Player and Banker hands tie with a score of 0. All other outcomes will result in the wager being lost. All other Egalite wagers are won similarly, and the pays for each Egalite wager is shown in Table 2.

The Super 6 side bet allows the player to wager that the banker wins with a two-card or three-card hand which point total is 6. The wager's payout is determined by the number of cards in the hand.

No Commission Game Mode RTP and Payouts:

As soon as there is a switch on the No Commission game mode, the RTP and payout for the Banker position changes. If a bet on the Banker and the Banker wins, the patron is paid 1 to 1 winnings on the bet; except for when the Banker wins with a 6, then the patron is paid 0.5 to 1 winnings on your bet, i.e. betting a 10-value chip, the payout is 15. As soon as a player switches back to the Regular Baccarat game mode, the Regular Baccarat Banker's values are applied again.
